Under Section 54EC of the Act and subject to the conditions specified therein, taxable capital gains, arising on transfer of a long-term capital asset, shall not be chargeable to tax to the extent such capital gains are invested in certain notified bonds within six months from the date of transfer subject to an upper limit of Rs. 50 lakhs per year per tax payer. No deduction from the amount of income with reference to such investment shall be allowed under section 80C after the 1st day of April 2005.

Under Section 54F of the Act and subject to the conditions specified therein, in the case of an individual or a HUF, capital gains (subject to the exemption of long-term capital gains provided for in section 10(38) of the Act, discussed elsewhere in this Statement) arising on transfer of a long term capital asset (not being a residential house) are not chargeable to tax if the entire net consideration received on such transfer is invested within the prescribed period in a residential house. If part of such net consideration is invested within the prescribed period in a residential house, then such gains would not be chargeable to tax on a proportionate basis. For this purpose, net consideration means full value of the consideration received or accruing as a result of the transfer of the capital asset as reduced by any expenditure incurred wholly and exclusively in connection with such transfer.

The following amounts would be deductible from the full value of consideration, to arrive at the amount of capital gains:

- cost of acquisition of Units (excluding the Securities Transaction Tax, if any paid on acquisition) as adjusted by Cost Inflation Index notified by the Central Government in case of long term capital gain, and
- expenditure incurred wholly and exclusively in connection with such transfer.

Under the provisions of Section 94(7) of the Act, loss arising on acquisition/sale/transfer of Units, which are acquired within three months prior to the record date (i.e. the date fixed by the Mutual Fund for the purposes of entitlement of the Unitholders to receive the income) and sold/transferred within nine months after the record date, shall be ignored for the purpose of computing income chargeable to tax to the extent of exempt income received or receivable on such Units.

Under the provisions of Section 94(8) of the Act, when units are bought within a period of 3 months prior to the record date for allotment of additional units and additional units are allotted without any payment and where the original units are sold within nine months after the record date, while the additional units (whether all or some of them) are continued to be held by the unitholder, the loss, if any, arising on sale of such units bought shall be ignored for the purpose of computing income chargeable to tax and such loss shall be treated as the cost of acquisition of the additional units.

Foreign Institutional Investors

Long-term capital gains on sale of Units, other than units of an equity oriented fund referred to above, would be taxed at the rate of 20% under Section 115AD of the Act. Such gains would be calculated without indexation of cost of acquisition.

Short-term capital gains on sale of units of an equity-oriented fund would be taxable under Section 111A of the Act at the rate of 10% if the sale of such units is chargeable to Securities Transaction Tax. Other short-term capital gains would be taxed at the rate of 30% (subject to the concessional rate of tax provided for in Section 111A of the Act, discussed elsewhere in this Statement).

The above tax rates would be increased by applicable surcharge, in case of, non-corporate Unitholders, at the rate of 10% thereof, where

their income exceeds Rs.10,00,000/- & at the rate of 10% thereof in case of all corporate Unitholders where the income exceeds Rs. 1 crore. In all cases, additional surcharge called Education Cess at 2% and Secondary and Higher Education Cess at 1% , will be levied on the aggregate of tax and applicable surcharge, so calculated. In respect of long term capital gains on sale/redemption of units of any equity oriented mutual fund would be tax free in the hands of the NRI investor and therefore, the question of deducting any tax at source does not arise. In any case, even the table of rates specifically excludes long term capital gains exempt under section 10(38). Therefore, TAML or the Mutual Fund, as the case may be, need not deduct any tax at source while remitting money to any NRI at the time of redemption of units of any equity oriented mutual fund if the same are held by the NRI for more than 12 months i.e if they are long term capital assets in the hands of the NRI. In respect of the capital gains arising to an NRI from the sale of units of non equity oriented funds (such as debt funds), the position has not changed as compared to the position prevailing before 1st October, 2004. Therefore, the short term capital gains arising from such units would continue to be taxed at par with normal income of the NRI. In such cases, therefore, the Mutual Fund or the AMC would have to deduct tax at source @ 30% (plus surcharge, education cess & Secondary & Higher Education Cess). Similarly, long term capital gains arising from such units would also continue to be taxed @ 20% and therefore, the rate at which tax is to be deducted at source from such capital gains would also be 20% (plus surcharge Education Cess & Secondary & Higher Education Cess).

Other Unitholders

Long-term capital gains in respect of Units, other than units of an equity oriented fund referred to above, held for a period of more than twelve months, will be chargeable under Section 112 of the Act, at concessional rate of tax, at the rate of 20%, as increased by the applicable surcharge. An additional surcharge called Education Cess at the rate of 2% and Secondary & Higher Education Cess at the rate of 1%, on the aggregate of tax and surcharge are to be levied. In case of resident Individuals & Hindu Undivided Families, where taxable income, as reduced by long-term capital gains, is below the basic exemption limit, the long-term capital gains will be reduced to the extent of the shortfall & only the balance long term capital gains will be subjected to the flat rate of income tax (plus applicable surcharge and education cess). However, where the tax payable on such long-term capital gains, computed before indexation, exceeds 10%, as increased by the applicable surcharge and additional surcharges, being Education Cess & Secondary & Higher Education Cess, as provided by the Finance Act, of the amount of capital gains, such excess tax shall not be payable by the unitholder. Short-term capital gains in respect of all Units, held for a period of not more than twelve months, will be aggregated with other income and taxed at rates of tax, including surcharge, applicable to normal income. However Section 111A, provides that such gains, in respect of equity oriented fund, will be taxable only at 10% as increased by the applicable surcharges if the sale of unit has been chargeable to the Securities Transaction Tax.

Tax Deduction at Source

Domestic Unitholders

No income tax is deductible at source from income by way of capital gains under the present provisions of the Act However, the provisions of section 195 of the Act may apply to non-residents (other than Foreign Institutional Investors & long-term capital gains exempt under section 10(38) of the Act).

Foreign Institutional Investors

Under Section 196D of the Act, no deduction shall be made from

any income by way of capital gains, in respect of transfer of securities referred to in Section 115AD of the Act.

Other Non-resident Unitholders

Part II of the First Schedule to the Act, provides for deduction of tax at source from taxable capital gains at the rate of 20%, where they relate to long-term capital gains unless a lower withholding tax certificate is obtained from the tax authorities, & at the marginal rates, viz. at 30% in case of non-corporate Unitholders unless a lower withholding tax certificate is obtained from the tax authorities, & at the rate of 40% unless a lower withholding tax certificate is obtained from the tax authorities, in case of foreign corporate Unitholders, in case of short-term capital gains. Surcharge on income-tax will be levied at the rate of 10%, on such tax, in respect of non-corporate Unitholders, where their income exceed Rs.10,00,000/- & at the rate of 10% thereof in case of those corporate Unitholders where their income exceeds Rs. 1,00,00,000. An additional surcharge called the Education Cess at the rate of 2% & Secondary & Higher Education Cess at the rate of 1% are also to be levied under the Finance Act in all cases on the aggregate of tax and surcharge, so calculated.

Rebate under section 88E

Section 88E provides that where the total income of a person includes income chargeable under the head "Profits & gains of business or profession" arising from sale of units of equity oriented funds, he shall get rebate equal to the securities transaction tax paid by him in the course of his business. Such rebate is to be allowed from the amount of income tax in respect of such transactions calculated by applying average rate of income tax.

Securities Transaction Tax

All Unit holders

As per Chapter VII of the Finance (No. 2) Act, 2004 (as amended from time to time) pertaining to STT as amended by the Finance Act, 2005, STT shall be payable by the seller at the rate of 0.25 per cent on the sale of a unit of an equity-oriented fund to the mutual fund.

Other Benefit

Investments in Units of the Mutual Fund will rank as an eligible form of investment under Section 11(5) of the Act read with Rule 17C of the Income Tax Rules, 1962, for Religious and Charitable Trusts.

Tax Treaty Benefits

An investor has an option to be governed by the provisions of the

Act or the provisions of a Tax Treaty that India has entered into with another country of which the investor is a tax resident, whichever is more beneficial.

Wealth Tax

Units held under the Schemes of the Fund are not treated as assets as defined under Section 2(ea) of the Wealth Tax Act, 1957 and therefore would not be liable to wealth tax.

Gift Tax

The Gift-tax Act, 1958, has ceased to apply to gifts made on or after 1 Oct. 1998. Gifts of Units, purchased under the Schemes, would therefore, be exempt from gift-tax.

Daily Net Asset Value (NAV) The NAV will be declared on all business days and will be published in 2 newspapers. NAV Publication can also be viewed on www.tatamutualfund.com and www.amfiindia.com You can also telephone us at (022) 66315191.

Prevention of Money Laundering

In terms of the Prevention of Money Laundering Act, 2002, the Rules issued there under and the guidelines / circulars issued by SEBI regarding the Anti Money Laundering (AML Laws), all intermediaries, including Mutual Funds, have to formulate and implement a client identification programme, verify and maintain the record of identity and address(es) of investors.

In order to make the data capture and document submission easy and convenient for the investors, Mutual Fund Industry has collectively entrusted this responsibility of collection of documents relating to identity and address and record keeping to an independent agency (presently CDSL Ventures Limited) that will act as central record keeping agency ('Central Agency'). As a token of having verified the identity and address and for efficient retrieval of records, the Central Agency will issue a Mutual Fund Identification Number ('MIN') to each investor who submits an application and the prescribed documents to the Central Agency.

Investors who have obtained the MIN can invest in the schemes of the mutual fund by quoting the MIN in lieu of submitting information and documents required under AML Laws.
