

PROFESSOR SIMPLY SIMPLE AND SUPPANDI ARE COMING OUT OF THE RAILWAY STATION...

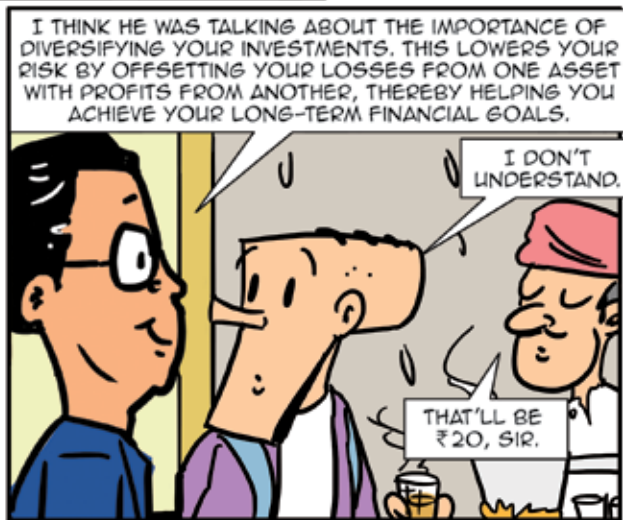

LOOK AT THE RAIN! LET'S GET SOME TEA, SUPPANDI. THEN, YOU CAN TELL ME ALL ABOUT YOUR MEETING WITH ASHOK BIJLEE.

THE MEETING WENT WELL BUT I WISH YOU WERE THERE, PROFESSOR. I DIDN'T UNDERSTAND SOME OF THE THINGS HE WAS TALKING ABOUT.

LIKE WHAT?

WELL, HE KEPT TALKING ABOUT SOMETHING CALLED "DIVER'S FIXATION" AND LONG-TERM GOALS. WHAT DOES DIVING AND FOOTBALL HAVE TO DO WITH INVESTMENTS?

I THINK HE WAS TALKING ABOUT THE IMPORTANCE OF DIVERSIFYING YOUR INVESTMENTS. THIS LOWERS YOUR RISK BY OFFSETTING YOUR LOSSES FROM ONE ASSET WITH PROFITS FROM ANOTHER, THEREBY HELPING YOU ACHIEVE YOUR LONG-TERM FINANCIAL GOALS.

I DON'T UNDERSTAND.

THAT'LL BE ₹20, SIR.

LET ME PAY, PROFESSOR...

OH, NO! I CAN'T FIND MY WALLET ANYWHERE! I MUST HAVE DROPPED IT ON THE PLATFORM WHEN I TOOK OUT MY WINDCHEATER. WHAT AM I GOING TO DO?

PROFESSOR SIMPLY SIMPLE AND SUPPANDI SEARCH FOR THE WALLET EVERYWHERE BUT WITH NO LUCK...

MY ATM CARD! MY DRIVING LICENSE! ALL MY MONEY! THEY WERE ALL IN MY WALLET, PROFESSOR!
