INVESTMENT OBJECTIVE

The investment objective of the scheme is to generate medium to long-term capital appreciation by investing in equity and equity related instruments selected based on a quantitative model (Quant Model).

However, there is no assurance or guarantee that the investment objective of the Scheme will be achieved. The scheme does not assure or guarantee any returns.

ASSET ALLOCATION

Under normal circumstances, the asset allocation of the Scheme will be as follows:

Instruments	Indicative allocations (% of net assets)		Risk Profile
	Minimum	Maximum	High/Medium/Low
Equity & Equity related instruments [^]	80	100	Medium to High
Debt & Money Market instruments*	0	20	Low to Medium
Units issued by REITs and InvITs	0	10	Medium to High

Not more than 20% of the net assets of the scheme can be deployed in stock lending & single intermediary limit is 5%.

[^] The Scheme will invest at least 80% in equity and equity related instruments selected based on a quantitative model

*The Scheme shall not invest in foreign securitized debt and credit default swaps.

Investment in domestic securitized debt shall be restricted to 10% of the net assets of the scheme

[^] The Scheme will comply with all the applicable circulars issued by SEBI as regard to derivatives viz. SEBI Circular no. SEBI/MFD/CIR No. 03/ 158 /03 dated June 10, 2003, no. DNP/D/Cir-29/2005 dated September 14, 2005, no. SEBI/IMD/CIR No. 9/108562/07 dated November 16,2007, no. Cir/ IMD/DF/ 11/ 2010 dated August 18, 2010, no SEBI/HO/IMD/DF2/CIR/P/2018/17 dated January 16,2019.The cumulative gross exposure to equity, equity related instruments, debt, money market instruments and derivatives shall not exceed 100% of the net assets of the scheme. Cash or cash equivalents with residual maturity of less than 91 days may be treated as not creating any exposure. Cash Equivalent shall consist Government Securities,T-Bills & Repo on Government Securities

The exposure to derivatives will not exceed 50% of the net assets of the scheme.

The scheme does not seek to invest in foreign securities.

The Scheme may participate in repo/reverse repo in corporate debt securities.

The Fund may engage in short selling of securities in accordance with the framework relating to short selling and securities lending and borrowing specified by SEBI.

Not more than 20% of the net assets of the fund can be deployed in stock lending. Pending deployment of funds as per investment objective of the scheme, the funds may be parked in short term deposit of the schedule commercial banks, subject to SEBI circular no. SEBI/IMD/Cir.No. 1/91171/07 dated April 16,2007,SEBI/HO/IMD/DF4/CIR/P/2019/093 dated August 16, 2019, SEBI/HO/IMD/DF2/CIR/P/2019/101 dt. September 20, 2019, as may be amended from time to time.

Due to market conditions, the Fund manager may invest/ take hedge positions beyond the range set out above. Such deviations shall normally be for a short term purpose only, for defensive considerations and the intention being at all times to protect the interests of Unit Holders.

Change in Investment Pattern

Pursuant to SEBI/HO/IMD/DF2/CIR/P/2021/024 dated March 04, 2021, the tentative portfolio break-up mentioned above with minimum and maximum asset allocation can be altered for a short-term period on defensive considerations. In this event where the asset allocation falling outside the limits specified in the asset allocation table due to defensive considerations, the Scheme will rebalance the portfolio within thirty (30) calendar days.

Pursuant to SEBI circular no. SEBI/HO/IMD/IMD-II DOF3/P/CIR/2022/39 dated March 30, 2022, in the event where the asset allocation is falling outside the limits specified in the asset allocation table due to passive breaches (occurrence of instances not arising out of omission and commission of AMC), the Scheme will rebalance the portfolio within thirty (30) business days. However, if market conditions do not permit the Fund Manager to rebalance the portfolio of the Scheme within the stipulated period of thirty (30) business days, justification in writing including details of efforts taken to rebalance the portfolio for the same shall be provided to the Investment Committee. The Investment Committee shall then decide on the course of action and if they so desires can extend the timelines up to sixty (60) business days from the date of completion of mandated rebalancing period. Further, compliances relating to disclosures etc. shall be adhered in line with the said circular.

In case the portfolio of schemes is not rebalanced within the mandated plus extended timelines, AMCs shall:

- not be permitted to launch any new scheme till the time the portfolio is rebalanced.
- not to levy exit load, if any, on the investors exiting such scheme.

AMC shall adhere to SEBI guidelines regarding the rebalancing of asset allocation norms as stipulated from time to time.

Risk Profile of the Scheme

Mutual Fund Units involve investment risks including the possible loss of principal. Please read the SID carefully for details on risk factors before investment. Scheme specific Risk Factors are summarized below:

Scheme Specific Risk Factors:

Risks associated with the Scheme's strategy

Investment strategy of Quant Funds are essentially rule-based, driven by algorithms developed basis historical relations of multiple factors with stock price movements. One of the risks in a quant-based model would be the time taken by the algorithm to adapt to new development or change in how certain factors influence market or stock dynamics. The success of the model is based on systematic investment approach and therefore it may not be able to leverage short term opportunities available in the market from time to time. Another risk that can emanate from a rule based systematic investment strategy would be the inability to perfectly time the market which might impact performance of the fund in the short term. There is no guarantee that the Quant model will generate higher returns as compared to the benchmark.

Investment Risks

The price of securities may go up or down depending on a variety of factors and hence investors may note that AMC/Fund Manager's investment decisions may not be always profitable. Although it is intended to generate capital appreciation and maximize the returns by actively investing in equity securities and utilising debt and money market instruments as a defensive investment strategy. The price of securities may be affected generally by factors affecting capital markets such as price and volume, volatility in the stock markets, interest rates, currency exchange rates, foreign investment, changes in Government and Reserve Bank of India policy, taxation, political, economic or other developments, closure of the Stock Exchanges etc. Investors should understand that the investment pattern indicated, in line with prevailing market conditions, is only a hypothetical example as all investments involve risk and there is no assurance that the Fund's investment objective will be attained or that the Fund may not be in a position to maintain the indicated percentage of investment pattern under exceptional circumstances. There is no guarantee the investment / dis-investment decision will result into profit.

The fund may use techniques and instruments for efficient portfolio management and to attempt to hedge or reduce the risk. However these techniques and instruments if imperfectly used have the risk of the fund incurring losses due to mismatches particularly in a volatile market. The Fund's ability to use these techniques may be limited by market conditions, regulatory limits and tax considerations (if any). The use of these techniques is dependent on the ability to predict movements in the prices of securities being hedged and movements in interest rates. There exists an imperfect correlation between the hedging instruments and the securities or market sectors being hedged. Besides, the fact that skills needed to use these instruments are different from those needed to select the Fund's / plan's securities. There is a possible absence of a liquid market for any particular instrument at any particular time even though the futures and options may be bought and sold on an organised exchange. The use of these techniques involves possible impediments to effective portfolio management or the ability to meet repurchase / redemption requests or other short-term obligations because of the percentage of the Fund's assets segregated to cover its obligations.

Liquidity and Settlement Risks

The liquidity of the Scheme's investments may be inherently restricted by trading volumes, transfer procedures and settlement periods. From time to time, the Scheme will invest in certain securities of certain companies, industries, sectors, etc. based on certain investment parameters as adopted internally by AMC. While at all times the AMC will endeavour that excessive holding/investment in certain securities of industries, sectors, etc. by the Scheme(s) are avoided, the funds invested by the Scheme in certain securities of industries, sectors, etc. may acquire a substantial portion of the Scheme's investment portfolio and collectively may constitute a risk associated with non-diversification and thus could affect the value of investments. Reduced liquidity in the secondary market may have an adverse impact on market price and the Scheme's ability to dispose of particular securities, when necessary, to meet the Scheme's liquidity needs or in response to a specific economic event or during restructuring of the Scheme's investment portfolio.

Risk associated with Short Selling

The Scheme may enter into short selling transactions, subject to SEBI and RBI Regulations. Short-selling is the sale of shares that the seller does not own at the time of trading. Instead, he borrows it from someone who already owns it. Later, the short seller buys back the stock he shorted and returns the stock to close out the borrowing. If the price of the stock has fallen, he can

buy the stock back for less than he received for selling it and profits from it (the difference between higher short sale price and the lower purchase price). However, Short positions carry the risk of losing money and these losses may grow theoretically unlimited if the stock price increases without limit and shall result into major losses in the portfolio. For example, if dealer/fund manager short 1000 shares at Rs.650 each hoping to make a profit but the share price increase to Rs.900, portfolio will end up losing Rs.250,000 (1000*250).

Securities Lending Risks

It may be noted that this activity would have the inherent probability of collateral value drastically falling in times of strong downward market trends, rendering the value of collateral inadequate until such time as that diminution in value is replenished by additional security. It is also possible that the borrowing party and/or the approved intermediary may suddenly suffer severe business setback and become unable to honour its commitments. This, along with a simultaneous fall in value of collateral would render potential loss to the Scheme. Besides, there will also be temporary illiquidity of the securities that are lent out and the Scheme(s) will not be able to sell such lent out securities until they are returned.

Interest Rate Risk

As with debt instruments, changes in interest rate may affect the price of the debt instrument(s) and ultimately Scheme's net asset value. Generally, the prices of instruments increase as interest rates decline and decrease as interest rates rise. Prices of long-term securities fluctuate more in response to such interest rate changes than short-term securities. Indian debt and government securities markets can be volatile leading to the possibility of price movements up or down in fixed income securities and thereby to possible movements in the NAV.

Credit Risk

Credit risk or Default risk refers to the risk that an issuer of a fixed income security may default (i.e. the issuer will be unable to make timely principal and interest payments on the security). Because of this risk corporate debentures are sold at a higher yield above those offered on Government Securities which are sovereign obligations and free of credit risk. Normally, the value of fixed income securities will fluctuate depending upon the changes in the perceived level of credit risk as well as any actual event of default. The greater the credit risk, the greater the yield required for someone to be compensated for the increased risk.

Reinvestment Risk

This risk refers to the difference in the interest rate levels at which cash flows received from the securities in the scheme is reinvested. The additional income from reinvestment is the "interest on interest" component. The risk is that the rate at which interim cash flows are reinvested may be lower than that originally assumed.

Risk Factors associated with Thematic Schemes

Investing in thematic schemes is based on the premise that the Scheme will seek to invest in companies belonging to a theme. This will limit the capability of the Scheme to invest in other themes.

The scheme would primarily be investing in equity and equity related securities where portfolio construction and periodic rebalancing will be based on quantitative models. These models are based on historic correlations of a certain set of parameters with price movements of stocks and markets. The models may take time to adjust to new changes to the historical relationships. During such periods before the quant models adjust to new conditions, the scheme may fail to give optimal returns. Thus, investing in a theme specific scheme may involve additional risk.

Securitized Debt:

Securitized Debt such as Mortgage Backed Securities ("MBS") or Asset Backed Securities ("ABS") is a financial instrument (bond) whose interest and principal payments are backed by an underlying cash flow from another asset. Asset Securitization is a process whereby commercial or consumer credits are packaged and sold in the form of financial instruments. A typical process of asset securitization involves sale of specific receivables to a Special Purpose Vehicle (SPV) set up in the form of a trust or a company.

The SPV in turn issues financial instruments (promissory notes, participation certificates or other debt instruments) also referred to as "Securitized Debt" to the investors evidencing the beneficial ownership of the investors in the receivables. The financial instruments are rated by an independent credit rating agency.

Risks Associated with Securitized Debt

Risk due to prepayment: In case of securitized debt, changes in market interest rates and pre-payments may not change the absolute amount of receivables for the investors but may have an impact on the reinvestment of the periodic cash flows that an investor receives on securitized papers. In the event of pre-payment of the underlying debt, investors may be exposed to changes in tenor and yield.

Liquidity Risk: Presently, despite recent legal developments permitting the listing of securitized debt instruments, the secondary market for securitized debt in India is not very liquid. Even if a more liquid market develops in the future, secondary transactions in such instruments may be at a discount to initial issue price due to changes in the interest rate structure.

Limited Recourse and Credit Risk: Certificates issued on investment in securitized debt represent a beneficial interest in the underlying receivables and there is no obligation on the issuer, seller or the originator in that regard. Defaults on the underlying loan can adversely affect the pay outs to the investors and thereby, adversely affect the NAV of the Scheme. While it is possible to repossess and sell the underlying asset, various factors can delay or prevent repossession and the price obtained on sale of such assets may be low.

Bankruptcy Risk: If the originator of securitized debt instruments in which the Scheme invests is subject to bankruptcy proceedings and the court in such proceedings concludes that the sale of the assets from originator to the trust was not a 'true sale', then the Scheme could experience losses or delays in the payments due. Normally, care is taken in structuring the securitization transaction so as to minimize the risk of the sale to the trust not being construed as a 'true sale'.

Risk of Co-mingling: Servicers in a securitization transaction normally deposit all payments received from the obligors into a collection account. However, there could be a time gap between collection by a servicer and depositing the same into the collection account. In this interim period, collections from the loan agreements by the servicer may not be segregated from other funds of the servicer. If the Servicer fails to remit such funds due to investors, investors in the Scheme may be exposed to a potential loss.

Risks associated with Derivatives

- Derivative products are leverage instruments and can provide disproportionate gains as well as disproportionate losses to the investors. Execution of such strategies depends upon the ability of the Fund Manager to identify such opportunities. Identification and execution of the strategies to be pursued by the Fund Manager involved uncertainty and decision of Fund Manager may not always be profitable. No assurance can be given that the Fund Manager will be able to identify or execute such strategies.
- Derivative products are specialized instruments that require investment techniques and risk analysis different from those associated with stocks and bonds. Derivatives require the maintenance of adequate controls to monitor the transactions entered into, the ability to assess the risk that a derivative add to the portfolio and the ability to forecast price of securities being hedged and interest rate movements correctly. There is a possibility that a loss may be sustained by the portfolio as a result of the failure of another party (usually referred to as the "counterparty") to comply with the terms of the derivatives contract. Other risks in using derivatives include the risk of mis-pricing or improper valuation of derivatives and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.
- The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments".
- The Scheme may face execution risk, whereby the rates seen on the screen may not be the rate at which the ultimate execution of the derivative transaction takes place.
- The Scheme may find it difficult or impossible to execute derivative transactions in certain circumstances. For example, when there are insufficient bids or suspension of trading due to price limit or circuit breakers, the Scheme may face a liquidity issue.
- Investments in index futures face the same risk as the investments in a portfolio of shares representing an index. The extent of loss is the same as in the underlying stocks.
- The Scheme bears a risk that it may not be able to correctly forecast future market trends or the value of assets, indices or other financial or economic factors in establishing derivative positions for the Scheme.
- There is the possibility that a loss may be sustained by the portfolio as a result of the failure of another party (usually referred to as the "counter party") to comply with the terms of the derivatives contract. The counter party may default on a transaction before settlement and therefore, the Scheme is compelled to negotiate with another counterparty at the then prevailing (possibly unfavourable) market price.
- The risk of loss in trading futures contracts can be substantial, because of the low margin deposits required, the extremely high degree of leverage involved in futures pricing and the potential high volatility of the futures markets.
- Where derivatives are used for hedging, such use may involve a basis risk where the instrument used as a hedge does not match the movement in the instrument/underlying asset being hedged. The risk may be inter-related also e.g. interest rate movements can affect equity prices, which could influence specific issuer/industry assets.

Other risks in using derivatives include the risk of mispricing or improper valuation of derivatives and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.

Risks Factors associated with transaction in Units through stock exchange(s)

In respect of transaction in Units of the Scheme through BSE and / or NSE, allotment and redemption of Units on any Business Day will depend upon

the order processing / settlement by BSE and / or NSE and their respective clearing corporations on which the Fund has no control.

Risks associated with investing in Securities Segment and Tri-party Repo trade settlement:

The mutual fund is a member of securities segment and Tri-party Repo trade settlement of the Clearing Corporation of India (CCIL). All transactions of the mutual fund in government securities and in Tri-party Repo trades are settled centrally through the infrastructure and settlement systems provided by CCIL; thus, reducing the settlement and counterparty risks considerably for transactions in the said segments. The members are required to contribute an amount as communicated by CCIL from time to time to the default fund maintained by CCIL as a part of the default waterfall (a loss mitigating measure of CCIL in case of default by any member in settling transactions routed through CCIL). CCIL shall maintain two separate Default Funds in respect of its Securities Segment, one with a view to meet losses arising out of any default by its members from outright and repo trades and the other for meeting losses arising out of any default by its members from Triparty Repo trades. The mutual fund is exposed to the extent of its contribution to the default fund of CCIL, in the event that the contribution of the mutual fund is called upon to absorb settlement/default losses of another member by CCIL, as a result the scheme may lose an amount equivalent to its contribution to the default fund.

Risks associated with Imperfect Hedging using Interest Rate Futures (IRF)

Liquidity/execution risk – IRF are relatively new instruments traded on the exchanges and don't have as much liquidity as the OTC market in the underlying bond. This could expose the hedge to liquidity (execution and wider bid-offer spread) risk and associated impact cost.

Spread risk – The IRF is based on government securities and treasury bills. Imperfect hedging can be applied on portfolios comprised of corporate bonds as well. Corporate bond yield theoretically comprises of the risk free rate and a credit spread. IRF would hedge out only the risk free rate. Any compression/expansion of credit spread of the underlying portfolio would not be hedged by the IRF.

Yield curve slope risk – The IRF hedge is done on a modified duration basis. This means that the maturity of the underlying instrument and the maturity of the IRF could be different. The hedge ratio is arrived at using the prescribed formula. This hedges the risk arising from a parallel shift in the yield curve. Any change in the slope of the yield curve (flattening/steepening) remains unhedged as residual risk.

Unwinding risk— An unexpected change in market conditions may require unwinding the derivative positions at disadvantageous prices during periods of heightened volatility e.g. if the yields slide lower due to a surprise RBI rate cut, participants with short Interest Rate Futures positions would seek to cut their losses and exit, leading to an increase in the price of the IRF, and negative price impact on the hedged portfolio there from.

Correlation risk – As per the extant regulation, the IRF has to have a 0.90 correlation coefficient with the underlying bond/portfolio, for the past 90 days, to be considered for imperfect hedging. If the correlation deteriorates going forward, the hedge may have to be rebalanced with attendant impact costs.

Risk Factors Associated with Investments in REITs and InvITS:

- **Market Risk:** REITs and InvITs Investments are volatile and subject to price fluctuations on a daily basis owing to factors impacting the underlying assets. AMC/Fund Manager's will do the necessary due diligence but actual market movements may be at variance with the anticipated trends.
- **Liquidity Risk:** As the liquidity of the investments made by the Scheme(s) could, at times, be restricted by trading volumes, settlement periods, dissolution of the trust, potential delisting of units on the exchange etc, the time taken by the Mutual Fund for liquidating the investments in the scheme may be high in the event of immediate redemption requirement. Investment in such securities may lead to increase in the scheme portfolio risk
- **Reinvestment Risk:** Investments in REITs & InvITs may carry reinvestment risk as there could be repatriation of funds by the Trusts in form of buyback of units or income distribution cum capital withdrawal pay-outs, etc. Consequently, the proceeds may get invested in assets providing lower returns.
- **Regulatory/Legal Risk:** REITs and InvITs being new asset classes, rights of unit holders such as right to information etc may differ from existing capital market asset classes under Indian Law.

The above are some of the common risks associated with investments in REITs & InvITs. Investment results may vary substantially on a monthly, quarterly or annual basis

Risk associated with investing in Repo of Corporate Bond Securities

To the extent the scheme invests in Repo of Corporate Bond Securities, the scheme will be subject to following risks –

- Corporate Bond Repo will be subject to counter party risk.

- The Scheme will be exposed to credit risk on the underlying collateral-downward migration of rating. The scheme may impose adequate haircut on the collateral to cushion against any diminution in the value of the collateral. Collateral will require to be rated AA and above rated where potential for downgrade/default is low. In addition, appropriate haircuts are applied on the market value of the underlying securities to adjust for the illiquidity and interest rate risk on the underlying instrument.
- Liquidity of collateral: In the event of default by the counterparty, the scheme would have recourse to recover its investments by selling the collateral in the market. If the underlying collateral is illiquid, then the Mutual Fund may incur an impact cost at the time of sale (lower price realization).

Risk of Writing of Call Option Under a Cover Call Strategy

Under a delivery settlement a call writer will have to part with the physical holding of security which was originally intended for long term holding.

Risks associated with segregated portfolio

- Investor holding units of segregated portfolio may not able to liquidate their holding till the time recovery of money from the issuer.
- Security comprises of segregated portfolio may not realise any value.
- Listing of units of segregated portfolio in recognised stock exchange does not necessarily guarantee their liquidity. There may not be active trading of units in the stock market. Further trading price of units on the stock market may be significantly lower than the prevailing NAV.

Risk associated with potential change in Tax structure

This summary of tax implications given in the taxation section (Units and Offer Section III) is based on the current provisions of the applicable tax laws. This information is provided for general purpose only. The current taxation laws may change due to change in the 'Income Tax Act 1961' or any subsequent changes/amendments in Finance Act/Rules/Regulations. Any change may entail a higher outgo to the scheme or to the investors by way of securities transaction taxes, fees, taxes etc. thus adversely impacting the scheme and its returns.

Credit Evaluation Process for the investments in Debt Securities

In-house credit evaluation team has the necessary capability of conducting independent due diligences of credit risk. From credit evaluation perspective, companies are broadly classified under two sectors - Industrials and Financial Institutions. Industrials include Manufacturing and trading companies, while Financial Institutions include Banks and Non-Banking Financial Companies (NBFCs). The set of parameters for evaluation of credits for these sectors are different.

Broad guidelines for the appraisal of Industrials for short-term and long-term exposure include, but are not restricted to:

- External Ratings threshold: Investment is made only if the issuer credit rating is at least 'investment grade' (BBB- or above) for Long-term debt by a credit rating agency recognized by SEBI. In the short-term, investment is made in top notch (A1+ or equivalent) rated debt instruments. However, this is subject to review from time to time and investment committee / Board of AMC approval is required for any exception.
- Each company is internally appraised based on various parameters including, but not restricted to: o Business Fundamentals: Product/Service offerings, Market Position, Competitive Landscape, and Product cycle etc.
- o Regulatory environment: Support/intervention, developmental stage of industry, level of regulation
- o Financial Analysis: Margins, Profitability, Leverage, Working Capital requirement and cycle, Cash-flows etc. This is also seen in light of historic trend
- o Management Track Record: Management track record, performance of company through economic cycle, promoters' background, other group companies.
- o Macro-Economic Environment: Economic cycle, Credit cycle

In the short-term, the focus is more on the working capital cycle, near-term cash-flows and existing business position, while in the long-term the focus is more on the outlook of the business, capital expenditure program, profitability etc.

The credit evaluation policy is subject to review from time to time. Any material change in the credit evaluation policy will be updated by way of an addendum to the scheme information document.

The asset allocation among the various debt securities will be decided based upon the prevailing market conditions, macroeconomic environment and the performance of corporate sector, the debt market and other considerations.

The investment policies mentioned in this SID are in conformity with the provisions of various constitutional documents VIZ.MOA/AOA of the TAMPL/Trustee Company, IMA and the Trust Deed. Any change in the asset allocation affecting the investment profile of the scheme shall be effected only in accordance with the provisions of regulations 18-15A of SEBI (Mutual Funds) Regulations, 1996.

Risk Control / Mitigation measures for equity investments and related investments:

Investment in equity has an inherent market risk which cannot be mitigated completely. However, following measures have been implemented with an objective to mitigate /control other risks associated with equity investing:

Nature of Risk	Mitigation Measures
Regulatory Risk	Online monitoring of various exposure limits by the Front Office System. Also, as a backup, manual controls are also implemented.
Poor Portfolio Quality	Model based investment strategies aims to provide combined benefits of active and rule based systematic investments. Quant factor model is well-researched and provide multiple options for portfolio creation.
Performance Risk	Periodical review of stock wise profit & loss. Review of scheme performance vis. a vis. Benchmark index as well as peer group.
Liquidity Risk	Periodical review of the liquidity position of each scrip (Market capitalization, average volume in the market vis. a vis. Portfolio Holding)
Concentration Risk	Cap on maximum single sector exposure. Cap on maximum single stock exposure

Risk Control / Mitigation measures for Debt and related Investments:

Nature of Risk	Mitigation Measures
Liquidity Risk	Focus on good quality paper at the time of portfolio construction
Credit Risk	In house dedicated team for credit appraisal Issuer wise exposure limit Rating grade wise exposure limit Periodical portfolio review by the Board of AMC
Interest Rate Risk	Close watch on the market events Active duration management Portfolio exposure spread over various maturities.
Regulatory Risk	Online monitoring of various exposure limits by the Front Office System also as a back up, manual control are implemented.

Restrictions on Investments (as per seventh schedule of SEBI {Mutual Fund} Regulations 1996)

- The scheme shall not invest more than 10 per cent of its NAV in the equity shares or equity related instruments of any company.
- All investments by the scheme in equity shares and equity related instruments shall only be made provided such securities are listed or to be listed.
- The Mutual Fund under all its scheme(s) shall not own more than ten percent of any company's paid up capital carrying voting rights.
- A mutual fund scheme shall not invest more than 10% of its NAV in debt instruments comprising money market instruments and non-money market instruments issued by a single issuer which are rated not below investment grade by a credit rating agency authorized to carry out such activity under the Act. Such investment limit may be extended to 12% of the NAV of the scheme with the prior approval of the Board of Trustees and the Board of directors of the asset management company:
Provided that such limit shall not be applicable for investments in government securities, treasury bills and Tri Party Repo on Government Securities or treasury bills.

4A A mutual fund scheme shall not invest in unlisted debt instruments including commercial papers, except Government Securities and other money market instruments: Provided that Mutual Fund Schemes may invest in unlisted non-convertible debentures up to a maximum of 10% of the debt portfolio of the scheme subject to such conditions as may be specified by the SEBI from time to time:

Provided further that mutual fund schemes shall comply with the norms under this clause within the time and in the manner as may be specified by the SEBI:

Provided further that the norms for investments by mutual fund schemes in unrated debt instruments shall be specified by the SEBI from time to time".

Note:

- SEBI vide circular dt. 1st October 2019 & 28th April 2020 has issued following guidelines wrt investment in unlisted debt & money market instruments
- Mutual fund scheme may invest in unlisted non-convertible debentures (NCDs) that have a simple structure (i.e with fixed and uniform coupon, fixed maturity period, without any options, fully paid up upfront, without any credit enhancements or structured obligations) and are rated and secured with coupon payment frequency on monthly basis.
- SEBI vid Circular dt. 28th April 2020 has allowed the existing unlisted NCDs to be grandfathered till maturity, such NCDs are herein referred to as "identified NCDs

Accordingly, mutual funds schemes can transact in such identified NCDs and the criteria specified in point (b) above shall not be applicable for such identified NCDs, Subject to compliance with investment due diligence and all other applicable investment restrictions as given below:-

A mutual fund scheme shall not invest more than 10% of its NAV in unrated debt instruments issued by a single issuer and the total investment in such instruments shall not exceed 25% of the NAV of the scheme. All such investments shall be made with the prior approval of the Board of Trustees and the Board of asset Management Company

- Maximum investment in unlisted NCDs will be 10 % of the debt portfolio of the scheme

SEBI vide Circular SEBI/HO/ IMD/ DF2 / CIR/P / 2019/104 dated October 01, 2019 has allowed the existing unlisted NCDs to be grandfathered till maturity, however SEBI vide circular number SEBI/HO/IMD/DF2/ CIR/P/2020/75 dated 28th April 2020 clarified that the grandfathering of the identified NCDs is applicable across the mutual fund industry. Accordingly, mutual funds can transact in such identified NCDs. All fresh investments by mutual fund schemes in CPs would be made only in CPs which are listed or to be listed with effect from one month from the date of operationalization of framework for listing of CPs or January 01, 2020, whichever is later

Explanation- "spot basis" shall have same meaning as specified by stock exchange for spot transactions.

- the securities so transferred shall be in conformity with the investment objective of the scheme to which such transfer has been made.

[^]Note: SEBI vide circular no SEBI/HO/IMD/DF4/CIR/P/2019/102 dt. September 24, 2019 has prescribed the methodology for determination of price to be considered for inter scheme transfers. Inter scheme transfers (ISTs) will be done in accordance with additional safeguard prescribed in terms of SEBI Circular No SEBI/HO/IMD/DF4/CIR/P/ 2020/202 dated October 8 th'2020.

- The scheme may invest in another scheme under the same asset management company or any other mutual fund without charging any fees, provided that aggregate interscheme investment made by all schemes under the same management or in schemes under the management of any other asset management company shall not exceed 5% of the net asset value of the mutual fund.
- Every mutual fund shall buy and sell securities on the basis of deliveries and shall in all cases of purchases, take delivery of relevant securities and in all cases of sale, deliver the securities:

Provided that a mutual fund may engage in short selling of securities in accordance with the framework relating to short selling and securities lending and borrowing specified by the SEBI:

Provided further that a mutual fund may enter into derivatives transactions in a recognized stock exchange, subject to the framework specified by the SEBI.

9. The mutual fund shall, get the securities purchased or transferred in the name of the mutual fund on account of the concerned scheme, wherever investments are intended to be of long term nature.
10. Pending deployment of funds of a Scheme in terms of investment objectives of the scheme, a mutual fund may invest them in short term deposits of schedule commercial banks, subject to SEBI circular no. SEBI/IMD/CIR No. 1/91171/07 dated April 16, 2007.
 - a. The term 'short term' for parking of funds shall be treated as a period not exceeding 91 days.
 - b. Such deposits shall be held in the name of each Scheme.
 - c. Each Scheme shall not park more than 15% of its net assets in the short term deposit(s) of all the scheduled commercial banks put together. However, it may be raised to 20% with the prior approval of the Trustee. Also, parking of funds in short term deposits of associate and sponsor scheduled commercial banks together shall not exceed 20% of total deployment by the Mutual Fund in short term deposits.
 - d. Each Scheme shall not park more than 10% of its net assets in short term deposit(s) with any one scheduled commercial bank including its subsidiaries.
 - e. The Trustee shall ensure that the funds of each Scheme are not parked in the short term deposits of a bank which has invested in that Scheme.
The above provisions do not apply to term deposits placed as margins for trading in cash and derivative market.
11. The scheme shall not make any investment in any fund of funds scheme.
12. The scheme will not advance any loan for any purpose.
13. The fund shall not borrow except to meet temporary liquidity needs of the mutual funds for the purpose of repurchase/ redemption of units or payment of interest or income distribution cum capital withdrawal to the unitholders.
14. The fund shall not borrow more than 20 per cent of the net asset of the scheme and the duration of such a borrowing shall not exceed a period of six months.

 - i. more than 10% of its NAV in the units of REIT and InvIT; and
 - ii. more than 5% of its NAV in the units of REIT and InvIT issued by a single issuer

All investment restrictions shall be applicable at the time of making investment.

These investment limitations / parameters (as expressed / linked to the net asset / net asset value / capital) shall in the ordinary course apply as at the date of the most recent transaction or commitment to invest, and changes do not have to be effected merely because, owing to appreciations or depreciations in value, or by reason of the receipt of any rights, bonuses or benefits in the nature of capital or of any scheme of arrangement or for amalgamation, reconstruction or exchange, or at any repayment or redemption or other reason outside the control of the Fund, any such limits would thereby be breached. If these limits are exceeded for reasons beyond its control, TAMPL shall adopt as a priority objective the remedying of that situation, taking due account of the interests of the Unitholders.

In addition, certain investment parameters (like limits on exposure to Sectors, Industries, Companies, etc.) may be adopted internally by TAMPL, and amended from time to time, to ensure appropriate diversification / security for the Fund. The Trustee Company / TAMPL may alter these above

stated limitations from time to time, and also to the extent the SEBI (Mutual Funds) Regulations, 1996 change, so as to permit the Scheme to make its investments in the full spectrum of permitted investments for mutual funds to achieve its investment objective. As such all investments of the Scheme will be made in accordance with SEBI (Mutual Funds) Regulations, 1996, including Schedule VII thereof.

Investment by the Fund and the Asset Management Company

As per the amended regulations i.e. sub-regulation 16(A) in Regulation 25 of SEBI (Mutual Funds) Regulations, 1996 ('MF Regulations'), asset management companies ('AMCs') are required to invest such amount in such scheme(s) of the mutual fund, based on the risk associated with the scheme. The AMC will comply with SEBI circular HO/IMD/IMD-IDOF5/P/CIR/2021/624 dated September 2, 2021 in this respect.

Apart from the above, TAMPL (the AMC) may invest in the scheme(s) on an ongoing basis, such amount, as they deem appropriate. The AMC shall not be entitled to charge any management fees on this investment in the scheme(s). Investments by the AMC will be in accordance with Regulation 25(17) of the SEBI (MF) Regulations, 1996.

- Gross exposure to corporate bond repo transaction should be not more than 10% of the net asset of the scheme.
- The cumulative gross exposure through repo transactions in corporate debt securities along with equity, debt and derivatives shall not exceed 100% of the net assets of the Scheme.

- The Scheme will participate in repo transactions only in AA and above rated corporate debt securities.
- The Scheme may borrow through repo transactions (for redemption/income distribution cum capital withdrawal payout) only if the tenor of the transaction does not exceed a period of six months and aggregate borrowing is not more than 20% of net assets of the Scheme.
- Credit exposure will be on the counterparty and not on the collateral securities in case of corporate bond repo. Issuer and counterparty limits will be based on approved credit universe.

Investment in Units of Mutual Fund schemes

As per extant regulations, the scheme may invest in another scheme under the same asset management company or any other mutual fund without charging any fees, provided that aggregate interscheme investment made by all schemes under the same management or in schemes under the management of any other asset management company shall not exceed 5% of the net asset value of the mutual fund.

The investment in units of mutual fund scheme(s) shall be consistent with the investment objective of the scheme.

The scheme will ensure compliance with the Seventh Schedule of the Mutual Funds Regulations about restrictions on investments, wherever applicable, as well as SEBI circular with respect to repo transactions in corporate debt securities.

As mandated by SEBI vide circular CIR / IMD / DF / 19 / 2011 dated November 11, 2011, AMC and Trustee company of Tata Mutual Fund have specified norms for Category of counterparty, credit rating of counterparty, tenor of collateral and applicable haircuts for participation in repo in corporate bonds.

The above lists are illustrative and not the exhaustive and may include other money market securities as may be available / introduced in the market.

The securities mentioned above could be listed, unlisted, privately placed, secured, unsecured, rated and of maturity which is less than or equal to maturity of a scheme. The securities may be acquired through Initial Public Offerings (IPOs), secondary market operations, private placement, rights offers or negotiated deals. Please refer to the Clause "Liquidity & Settlement Risks" under Specific Risk Factors to understand the liquidity risk associated with securities.

Investment in Securities of Group Companies

As per SEBI (Mutual Funds) Regulations 1996, the Fund shall not make any investments in any un-listed securities of associate/ group companies of the Sponsors. The Fund will also not make investment in privately placed securities issued by associate / group companies of the Sponsors. The Fund may invest not more than 25% of the net assets in listed securities of Group companies.

THE INVESTMENT STRATEGIES

The investment strategy for the fund would be to achieve the investment objective by constructing a portfolio of equity and equity linked instruments. The strategy would be to construct a diversified portfolio across market capitalization and sectors.

The quant model-based factor strategy is expected to provide combined benefits of active and rule based systematic investments by minimizing the influence of human emotions and biases in decisions, increasing discipline and leverage computation power of machines for operational efficiency

The investment strategy of this fund is to use proprietary in-house Quant Models for (a) optimal factor-based portfolio construction and (b) identify hedge positions (partial of full) or reduce net long equity exposure to improve performance consistency.

The Quant Model will use parameters that include:

- Equity stocks selection will be predominantly from a universe of S&P BSE 200 or stocks which are part of Equity Derivative segment
- Fundamental parameters that are also used in Factor Models like
 - Return on Equity & capital employed
 - Earnings, income distribution cum capital withdrawal and leverage
- Macroeconomic parameters related to
 - GDP & inflation
 - Interest rates
 - Currency & commodity, etc.
- Index movements

The above list is illustrative and may include additional parameters or exclude some parameters with the change in the market conditions or economic factors/situations.

The portfolio will be re-balanced at a monthly frequency; however, the Fund Manager may alter this frequency based on the market conditions.

Equity positions would have to built-up gradually and also sold off gradually. This would necessarily entail having large cash position before the portfolio is fully invested and during periods when equity positions are being sold off to book profits/losses or to meet redemption needs. However, at all times the portfolio will adhere to the overall investment objectives of the Scheme.

The Scheme may also use various derivatives and hedging products from time to time, as would be available and permitted by SEBI, in an attempt to protect the value of the portfolio and enhance Unit holders' interest.

Further, the Scheme may invest in other schemes managed by the AMC or in the schemes of any other Mutual Funds in terms of the prevailing Regulations. As per the Regulations, no investment management fees will be charged for such investments.

BENCHMARK INDEX

BSE 200 TRI (Tier I)

INCOME DISTRIBUTION CUM CAPITAL WITHDRAWAL POLICY

Growth Option:

The income / profits received / earned would be accumulated by the scheme as capital accretion, aimed at achieving capital growth and reflected in the NAV.

Income Distribution cum capital withdrawal Policy:

The profits received / earned and so retained and reinvested may be distributed as Income at appropriate rates (after providing for all relevant ongoing expenses, etc.) and at appropriate intervals as may be decided by the AMC and/or Trustee Company. It will be distributed to the unitholders who hold the units on the record date of declaration of the Income.

Investor shall note that when units are sold, and sale price (NAV) is higher than face value of the unit, a portion of sale price that represents realized gains shall be credited to an Equalization Reserve Account and which can be used to pay Income Distribution Cum Capital Withdrawal. Hence Income Distribution Cum Capital Withdrawal amounts can be distributed out of investors capital (Equalization Reserve), which is part of sale price that represents realized gains.

Income Distribution Cum Capital Withdrawal distribution will be subject to availability of distributable surplus and at the discretion of the trustees from time to time.

The Trustee has the discretion to change the periodicity of declaration of Income Distribution Cum Capital Withdrawal /introduce new Income Distribution Cum Capital Withdrawal options from time to time.

Mutual Fund does not assure any targeted annual return / income nor any capitalisation ratio. Accumulation of earnings and / or capitalisation of bonus units and the consequent determination of NAV, may be suspended temporarily or indefinitely under any of the circumstances as stated in the clause “Suspension of Ongoing Sale, Repurchase or Switch out of Units”.

Compulsory Reinvestment of Income Distribution cum capital withdrawal option

In order to reduce the expenses of the scheme and also for the convenience of the investors, in case of income distribution cum capital withdrawal (IDCW) payout amount is Rs 100/- or less, then the same shall be compulsorily reinvested in the same sub- option at ex-dividend NAV for unitholders of non-electronic mode. Where the option to payout of IDCW is available in electronic mode, the IDCW amount shall be paid to the Unit holders.

DEFAULT OPTION

Default Option: Investor should appropriately tick the ‘option’ (Income Distribution Cum Capital Withdrawal or growth) and sub-options (Income Distribution Cum Capital Withdrawal payout, Income Distribution Cum Capital Withdrawal reinvestment and Income Distribution Cum Capital Withdrawal sweep) in the application form while investing in the Scheme. If no option is mentioned / indicated in the application form by the investor then the units will, by default, be allotted under the Growth Option. If no Income Distribution Cum Capital Withdrawal sub-option is mentioned / indicated in the application form by the investor then the units will, by default, be allotted under the Income Distribution Cum Capital Withdrawal reinvestment sub-option.

Default Plan: Investors are requested to note the following scenarios for the applicability of “Direct Plan (application not routed through distributor) or Regular Plan (application routed through distributor)” for valid applications received under the scheme:

- on the next Rs.3000 crores of the daily net assets : 1.60%
- on the next Rs.5000 crores of the daily net assets : 1.50%
- On the next Rs. 40000 crores of the daily net assets: total expense ratio reduction of 0.05% for every increase of Rs.5000 crores of daily net assets or part thereof.
- on the balance of the assets : : 1.05%

**In addition to the above the scheme may charge additional limit of 0.05% (The AMC shall not charge additional expenses under Regulation 52(6A)(c) in

case exit load is not levied/ not applicable) specified in sub regulation (6A) (c) of Regulation 52 of SEBI (Mutual Funds) Regulations, 1996 excluding tax on investment management & advisory fees and expenses not exceeding of 0.30 per cent of daily net assets as stated in regulation 6A(b) of SEBI (Mutual Funds) Regulation, 1996.

^ Expenses not exceeding of 0.30 per cent of daily net assets, if the new inflows from such cities as specified by SEBI from time to time are at least:

- (i) 30 percent of gross new inflows in the scheme, or;
- (ii) 15 percent of the average assets under management (year to date) of the scheme, whichever is higher:

Provided that if inflows from such cities is less than the higher of sub-clause

- (i) or sub- clause (ii), such expenses on daily net assets of the scheme shall be charged on proportionate basis:

Provided further that expenses charged under this clause shall be utilised for distribution expenses incurred for bringing inflows from such cities:

Provided further that amount incurred as expense on account of inflows from such cities shall be credited back to the scheme in case the said inflows are redeemed within a period of one year from the date of investment.

Additional TER can be charged based on inflows only from retail investors (i.e other than corporates and institutions) from B 30 cities as defined in the SEBI circular SEBI/HO/IMD/DF2/CIR/P/2019/42 March 25, 2019.

Notes:

- 1) Brokerage & transaction costs (including tax) which are incurred for the purpose of execution of trade may be capitalised to the extent of 12bps and 5bps for cash market transactions and derivatives transactions respectively. GST on brokerage and transaction cost paid for execution of trades shall be within the limit prescribed under regulation 52 of the SEBI (Mutual Funds) Regulations, 1996. Any payment towards brokerage and transaction cost, over and above the said 12 bps and 5bps for cash market transactions and derivatives transactions respectively may be charged to the scheme within the maximum limit of Total Expense Ratio (TER) as prescribed under regulation 52 of the SEBI (Mutual Funds) Regulations, 1996.
- 2) AMC shall annually set apart atleast 2 basis point on daily net assets for investor's education and awareness initiatives.
- 3) The fund shall update the current expense ratios on the website(www.tatamutualfund.com) at least three working days prior to the effective date of the change. The exact web link for TER is <http://www.tatamutualfund.com/our-funds/total-expense-ratio>.
- 4) Illustration of impact of expense ratio on scheme return:

Particulars	Regular Plan	Direct Plan

TER for the Segregated Portfolio

- a. AMC shall not charge investment and advisory fees on the segregated portfolio. However, TER (excluding the investment and advisory fees) can be charged, on a pro-rata basis only upon recovery of the investments in segregated portfolio.
- b. The TER so levied shall not exceed the simple average of such expenses (excluding the investment and advisory fees) charged on daily basis on the main portfolio (in % terms) during the period for which the segregated portfolio was in existence.
- c. The legal charges related to recovery of the investments of the segregated portfolio may be charged to the segregated portfolio in proportion to the amount of recovery. However, the same shall be within the maximum TER limit as applicable to the main portfolio. The legal charges in excess of the TER limits, if any, shall be borne by the AMC.
- d. The costs related to segregated portfolio shall in no case be charged to the main portfolio.

Transaction Charges:

Pursuant to SEBI Circular No. Cir/ IMD/ DF/13/ 2011 dated August 22, 2011, transaction charge per subscription of Rs.10, 000/- and above be allowed to be paid to the distributors of the Tata Mutual Fund products. The transaction charge shall be subject to the following: 1. There shall be no transaction charges on direct investments.2. For existing investors in a Mutual Fund, the distributor may be paid Rs.100/- as transaction charge per subscription of Rs.10,000/- and above.3. For first time investor in Mutual Funds, the distributor may be paid Rs.150/- as transaction charge for subscription of Rs.10,000/- and above.4.The transaction charge shall be deducted by the AMC from the subscription amount and paid to the distributor and the balance amount shall be invested.5. The statement of account shall clearly state that the net investment as gross subscription less transaction charge and give the number of units allotted against the net investment.6. There shall be no transaction charge on subscription below Rs. 10,000/- 7. In case of SIPs, the transaction charge shall be applicable only if the total commitment through SIPs amounts to Rs. 10,000/- and above. In such cases the transaction charge shall be recovered in 3 installments.8. There shall be no transaction charge on transactions other than purchases/ subscriptions relating to fresh/ additional purchase.

The transaction charges would be deducted only in respect of those transactions where the concern distributor has opted for opt in for levying transaction charge. In case distributor has chosen 'Opt Out' of charging the transaction charge, no transaction charge would be deducted from transactions registered.

It may further be noted that distributors shall have also the option to either opt in or opt out of levying transaction charge based on type of the product.

SEBI vide Circular dated Sept 13, 2012 has directed mutual funds to capture the unique identity number (EUIN) of the employee/sales person of the distributor interacting with the investor for the sale of mutual funds products in addition to the valid AMFI registration number (ARN) code of the distributor, ARN code of the sub broker . In the interest of the investors it is urged to ensure that the box/space provided for EUIN number, ARN code for distributor and ARN code of the sub broker in the application form to be properly filed up. It is out-most important to provide the EUIN number particularly in advisory transactions, which will assist in tackling the problem of mis-selling even if the employee/relationship manager/sales person on whose advice the transaction was executed leaves the employment of the distributor or his/her sub broker.

Tax Treatment for Investor of Investments in Mutual Funds

The information is provided for general information only. However, in view of the individual nature of the implications, each investor is advised to consult his or her own tax advisors with respect to the specific amount of tax and other implications arising out of his or her participation in the Scheme.

The Finance Act, 2020 abolished income distribution tax and instead introduced taxing of income from mutual fund units in the hands of the unit holders.

Type of Investor	Withholding tax rate
Resident***	10%*
NRI	20%**

* Tax not deductible if dividend income in respect of units of a mutual fund is below Rs. 5,000 in a financial year.

** The base tax is to be further increased by surcharge at the rate of:

- 37% on base tax where total income exceeds Rs. 5 crore;
- 25% where total income exceeds Rs. 2 crore but does not exceed Rs. 5 crore;
- 15% where total income exceeds Rs. 1 crore but does not exceed Rs. 2 crore; and
- 10% where total income exceeds Rs. 50 lakhs but does not exceed Rs. 1 crore

Further, "Health and Education Cess" is to be levied at 4% on aggregate of base tax and surcharge.

*** As per section 139AA of the Income tax Act, 1961 ('the Act') read with

rule 114AAA of the Income-tax Rules, 1962, in the case of a resident person, whose PAN has become inoperative due to PAN - Aadhaar not being linked on or before 31 March 2023, it shall be deemed that he has not furnished the PAN and tax could be withheld at a higher rate of 20% as per section 206AA of the Act. For linking PAN with Aadhaar after 31 March 2022, fees Rs. 500 till 30 June 2022 and Rs. 1,000 till 31 March 2023 has been prescribed.

Capital Gains Taxation

	Resident Investors/ NRI's \$	Domestic Company @
Rate of Tax		
Tax on Capital Gains (Payable by the Investors)		
Capital Gains:		
Long Term	10%*	10%*
Short Term	15%	15%

*As per Finance Act ,2018, levy of income tax at the rate of 10%(without indexation benefit) on long term capital gains exceeding Rs.1 lakh provided transfer of such units is subject to Securities Transaction Tax (STT).

\$Surcharge to be levied at:

- 37% on base tax where specified income exceeds Rs. 5 crore;
- 25% where specified income exceeds Rs. 2 crore but does not exceed Rs.

5 crore;

- 15% where total income exceeds Rs. 1 crore but does not exceed Rs. 2 crore; and

- 10% where total income exceeds Rs. 50 lakhs but does not exceed Rs. 1 crore.

Further, Health and Education Cess to be levied at the rate of 4% on aggregate of base tax and surcharge.

@ Surcharge at 7% on base tax is applicable where total income of domestic corporate unit holders exceeds Rs 1 crore but does not exceed 10 crores and at 12% where total income exceeds 10 crores. However, surcharge at flat rate of 10 percent to be levied on base tax for the companies opting for lower rate of tax of 22%/15%. Further, "Health and Education Cess" to be levied at the rate of 4% on aggregate of base tax and surcharge.

In case total income includes income by way of dividend on shares and short-term capital gains on units of equity oriented mutual fund schemes and long-term capital gains on mutual fund schemes, the rate of surcharge on the said type of income not to exceed 15%.

In case of NRI investors, short term /long term capital gain tax (along with applicable surcharge and Health and Education Cess will be deducted at the time of redemption of units as per Income Tax Act.

The Central Board of Direct Taxes (CBDT) has declared that the Aadhaar card and PAN can now be linked with a penalty until March 31, 2023. PAN can be linked with Aadhaar starting April 1, 2022, according to the CBDT, with a punishment ranging from Rs 500 to Rs 1000.

Securities Transaction Tax

Securities Transaction Tax ("STT") is applicable on transactions of purchase or sale of units of an equity oriented fund entered into on a recognized stock exchange or on sale of units of equity oriented fund to the Fund. The STT rates as applicable are given in the following table:

Taxable securities transaction	Payable by	Rate (as a % of value of the transaction)
Purchase/ Sale of an equity share in a company where a) the transaction of such purchase is entered into in a recognized stock exchange; and b) the contract for the purchase of such share is settled by the actual delivery or transfer of such share	Purchaser/ Seller	0.1%
Purchase of a unit of an equity oriented fund, where a) the transaction of such purchase is entered into in a recognized stock exchange; and b) the contract for the purchase of such unit is settled by the actual delivery or transfer of such unit	Purchaser	NIL
Sale of a unit of an equity oriented fund, where a) the transaction of such sale is entered into in a recognized stock exchange; and b) the contract for the sale of such unit is settled by the actual delivery or transfer of such unit	Seller	0.001%
Sale of an equity share in a company or a unit of an equity oriented funds on non-delivery basis	Seller	0.025%
Sale of option in securities	Seller	0.05%
Sale of an option securities, where option is exercised	Purchaser	0.125%
Sale in a future in securities	Seller	0.01%
Sale of unit of an equity oriented fund to the Mutual Fund itself	Seller	0.001%

The Fund is responsible for collecting the STT from every person who sells the Unit to it at the rate mentioned above. The STT collected by the Fund during any month will have to be deposited with the Central Government by the seventh day of the month immediately following the said month.

Stamp Duty

With effect from 1st July 2020 a stamp duty @ 0.005% of the transaction value would be levied on mutual fund investment transactions. Accordingly, the number of units allotted on purchases, switch-ins, SIP/STP installments and including income distribution cum capital withdrawal reinvestment to the unitholders would be reduced to that extent. In case of transfer of units between demat accounts a stamp duty @ 0.015% would be levied on value.

The information stated above is based on Tata Mutual Fund understanding of the tax laws and only for the purpose of providing general information to the unit holders of the schemes. In view of the individual nature of tax implications, each unit holder is advised to consult with his or her own tax advisors with respect to the specific tax and other implications arising out of the restructuring.

If any tax liability arising post redemption on account of change in tax treatment with respect to Dividend Distribution Tax/Capital Gain Tax, by the tax authorities, shall be solely borne by the investors and not by the AMC or Trustee Company.

For further details on taxation please refer the clause on taxation in SAI.

Creation of Segregated Portfolio:

In case of credit event at issuer level and to deal with liquidity risk, the scheme may create segregated portfolio of debt and money market instruments in compliance with the SEBI circular SEBI/HO/IMD/DF2/CIR/P/2018/160 dated December 28,2018.

Creation of segregated portfolio shall be subject to guidelines specified by SEBI from time to time and includes the following:

- 1) Segregated portfolio may be created, in case of a credit event at issuer level i.e. downgrade in credit rating by a SEBI registered Credit Rating Agency (CRA), as under:
 - a) Downgrade of a debt or money market instrument to 'below investment grade', or
 - b) Subsequent downgrades of the said instruments from 'below investment grade', or
 - c) Similar such downgrades of a loan rating
- 2) Creation of segregated portfolio is optional and is at the discretion of the AMC.

Process for Creation of Segregated Portfolio

- 1) On the date of credit event, TAMPL(AMC) shall decide on creation of segregated portfolio. Once AMC decides to segregate portfolio, it should:
 - a) seek approval of trustees prior to creation of the segregated portfolio.
 - b) immediately issue a press release disclosing its intention to segregate such debt and money market instrument and its impact on the investors. The mutual fund should also disclose that the segregation shall be subject to trustee approval. Additionally, the said press release shall be prominently disclosed on the website of the AMC.
 - c) ensure that till the time the trustee approval is received, which in no case shall exceed 1 business day from the day of credit event, the subscription and redemption in the scheme shall be suspended for processing with respect to creation of units and payment on redemptions.
- 2) Once trustee approval is received by the AMC:
 - a) Segregated portfolio will be effective from the day of credit event
 - b) AMC shall issue a press release immediately with all relevant information pertaining to the segregated portfolio. The said information shall also be submitted to SEBI.
 - c) An e-mail or SMS should be sent to all unit holders of the concerned scheme.
 - d) The NAV of both segregated and main portfolios shall be disclosed from the day of the credit event.
 - e) All existing investors in the scheme as on the day of the credit event shall be allotted equal number of units in the segregated portfolio as held in the main portfolio.
 - f) No redemption and subscription will be allowed in the segregated portfolio. However, upon recovery of any money from segregated portfolio, it should be immediately distributed to the investors in proportion to their holding in the segregated portfolio.
 - g) AMC should enable listing of units of segregated portfolio on the recognized stock exchange within 10 working days of creation of segregated portfolio and also enable transfer of such units on receipt of transfer requests
 - h) Investors redeeming their units will get redemption proceeds based on the NAV of main portfolio and will continue to hold the units of segregated portfolio.
- 3) If the trustees do not approve the proposal to segregate portfolio, AMC should issue a press release immediately informing investors of the same.
- 4) In case trustees do not approve the proposal of segregated portfolio, subscription and redemption applications will be processed based on the NAV of total portfolio

TER for the Segregated Portfolio

- 1) AMC shall not charge investment and advisory fees on the segregated portfolio. However, TER (excluding the investment and advisory fees) can be charged, on a pro-rata basis only upon recovery of the investments in segregated portfolio.
- 2) The TER so levied shall not exceed the simple average of such expenses (excluding the investment and advisory fees) charged on daily basis on the main portfolio (in % terms) during the period for which the segregated portfolio was in existence.in addition to the TER mentioned

above, the legal charges related to recovery of the investments of the segregated portfolio may be charged to the segregated portfolio as mentioned below.

- 3) The legal charges related to recovery of the investments of the segregated portfolio may be charged to the segregated portfolio in proportion to the amount of recovery. However, the same shall be within the maximum TER limit as applicable to the main portfolio. The legal charges in excess of the TER limits, if any, shall be borne by the AMC.
- 4) The costs related to segregated portfolio shall in no case be charged to the main portfolio.

Explanations:

- 1) The term 'segregated portfolio' shall mean a portfolio, comprising of debt or money market instrument affected by a credit event, that has been segregated in a mutual fund scheme.
- 2) The term 'main portfolio' shall mean the scheme portfolio excluding the segregated portfolio.
- 3) The term 'total portfolio' shall mean the scheme portfolio including the securities affected by the credit event.

Monitoring by Trustees:

In order to ensure timely recovery of investments of the segregated portfolio, trustees shall ensure that:

- The AMC puts in sincere efforts to recover the investments of the segregated portfolio.
- Upon recovery of money, whether partial or full, it shall be immediately distributed to the investors in proportion to their holding in the segregated portfolio. Any recovery of amount of the security in the segregated portfolio even after the write off shall be distributed to the investors of the segregated portfolio.
- An Action Taken Report (ATR) on the efforts made by the AMC to recover the investments of the segregated portfolio shall be placed in every Trustee meeting till the investments are fully recovered/written-off.
- Trustees will monitor the compliance of the SEBI Circular in respect of creation of segregated portfolio and disclosure in this respect shall be made in Half-Yearly Trustee reports filed with SEBI.

In order to avoid mis-use of segregated portfolio, Trustees shall ensure to have a mechanism in place to negatively impact the performance of Fund Managers, Chief Investment Officers (CIOs), etc. involved in the investment process of securities under the segregated portfolio. The new mechanism shall mirror the existing mechanism for performance incentives of the AMC, including the claw back of such amount to the segregated portfolio of the Scheme.

PUBLICATION OF DAILY NET ASSET VALUE (NAV)

The NAVs will be calculated and disclosed on every Business Day. The AMC will prominently disclose the NAVs under a separate head on the website of the Fund (www.tatamutualfund.com) and of the Association of Mutual Funds in India-AMFI (www.amfiindia.com) by 11 p.m. on every Business Day.

Investor may write to AMC for availing facility of receiving the latest NAVs through SMS.

Illustration of Calculation of Sale & Repurchase Price:

Assumed NAV Rs. 11.00 per unit Entry Load: NIL

Exit Load 1%

Sale Price = NAV + (Entry Load (%) * NAV) Sale Price = 11 + (0% * 11)

Sale Price = 11 + 0 Sale Price = Rs. 11/- Repurchase Price

Repurchase Price = NAV - (exit load (%) * NAV) Repurchase Price = 11 - (1%*11)

Repurchase Price = 11 - 0.11 Repurchase Price = Rs.10.89

In the event NAV cannot be calculated and / or published, such as because of the suspension of RBI Clearing, Bank strikes, during the existence of a state of emergency and / or a breakdown in communications, the Trustees may temporarily suspend determination and / or publication of the NAV of the Units.

While determining the price of the units, the fund will ensure that the repurchase price is not lower than 95 per cent of the Net Asset Value.

UNITHOLDERS' INFORMATION

How to Apply: Please refer to the Scheme Additional Information and Application form for the instructions.

On acceptance of application for financial transaction, a confirmation specifying the number of Units allotted/redeemed will be sent by way of e-mail and/or SMS to the applicant's registered e-mail address and/or mobile number within five business days from the date of transaction.

Tata Mutual Fund shall send first account statement for a new folio separately with all details registered in the folio by way of a physical account statement and/or an e-mail to the investor's registered address/email address not later than five business days from the date of subscription.

Tata Mutual Fund will send the Consolidated Account Statement (CAS) to investors as follows:

1. A single Consolidated Account Statement (CAS) on basis of PAN (PAN of the first holder & pattern of holding, in case of multiple holding) will be dispatched to unitholders having Mutual Fund investments & holding Demat accounts by Depositories as per the specified timeline specified by board at the end of the month in which transaction (the word 'transaction' shall include all financial transactions in demat accounts/Mutual Fund folios of the investor) takes place.
2. The CAS will not be received by the investors for the folio(s) not updated with PAN details. The Unit holders are therefore requested to ensure that the folio(s) are updated with their PAN. Such investors will get monthly account statement from Tata Mutual Fund in respect of transactions carried out in the schemes of Tata Mutual Fund during the month on or within fifteenth day of the succeeding month.
3. In other cases i.e. where unitholders having no Demat account & only MF units holding, Tata Mutual Fund shall continue to send the CAS as is being send on or within fifteenth day of the succeeding month in which financial transaction takes place.

4. In case statements are presently being dispatched by e-mail either by the Fund or the Depository then CAS will be sent through email. However the Unitholders have an option to receive CAS in physical form at the address registered in the Depository system.
5. The dispatch of CAS by Depositories to Unitholders would constitute compliance by Tata Asset Management Pvt Ltd / the Fund with the requirements under Regulation 36(4) of SEBI (Mutual Funds) Regulations 1996.
6. Each CAS issued to the investors shall also provide the total purchase value / cost of investment in each scheme.
7. In case if no transaction has taken place in a folio during the period of six months ended September 30 and March 31, the CAS detailing the holdings across all schemes of all mutual funds, shall be emailed on half yearly basis, as per the specified timeline specified by board of succeeding month, unless a specific request is made to receive the same in physical form.
8. Half-yearly CAS shall be issued to all Mutual Fund investors, excluding those investors who do not have any holdings in MF schemes and where no commission against their investment has been paid to distributors, during the concerned half-year period on or within twenty first day of the succeeding month. Further, CAS issued for the half-year (September/ March) shall also provide:
 - a. The amount of actual commission paid by Tata AMC/Mutual Fund to distributors (in absolute terms) during the half-year period against the concerned investor's total investments in each mutual fund scheme. The term "commission" here refers to all direct monetary payments and other payments made in the form of gifts / rewards, trips, event sponsorships etc. by Tata AMC/MF to distributors. Further, a mention may be made in such CAS indicating that the commission disclosed is gross commission and does not exclude costs incurred by distributors such as Goods & Services Tax (wherever applicable, as per existing rates), operating expenses, etc.
 - b. The scheme's average Total Expense Ratio (in percentage terms) along with the break up between Investment and Advisory fees, Commission paid to the distributor and Other expenses for the period for each scheme's applicable plan (regular or direct or both) where the concerned investor has actually invested in.

MF Central has been appointed as Official Point of Acceptance for Tata Mutual Fund Schemes.

The allotment of units is subject to realisation of the payment instrument. The AMC/ Trustee are entitled, in its sole and absolute discretion, to reject any Application.

Stock invests, Outstation Cheques/DD, Post Dated Cheques, Money Orders and Postal Orders will not be accepted and such applications will not be considered for allotment. All investment cheques should be current dated.

SEBI vide Circular no. CIR/MIRSD/66/2016 dated July 21, 2016 and circular no. CIR/MIRSD/120/2016 dated November 10, 2016 has intimated about the operationalization of Central KYC Records Registry ("CKYCR").

AMFI vide Best Practice Guideline circular no. 135/BP/68/2016-17 dated December 22, 2016 has prescribed guidelines including Central KYC ("CKYC") forms for implementing the CKYC norms. In this regard, any individual customer who has not done KYC under the KYC Registration Agency (KRA) regime shall fill the new CKYC form. If such new customer uses the old KRA KYC form, such customer would either fill the new CKYC or provide additional / missing information in the Supplementary CKYC form.

Option to hold Units in dematerialized (demat) form: Mutual Fund shall provide an option to investors to hold units in demat mode. Hence investors opting for allotment of units in demat form shall mention demat account details in the application form. Demat facility is available for all schemes of Tata Mutual Fund except for subscription by way of way of Systematic Investment Plan and for Plans / Options where Income Distribution Cum Capital Withdrawal distribution frequency is less than one month.

Annual Report:

Annual report or Abridged Summary, in the format prescribed by SEBI, will be hosted on AMC's website www.tatamutualfund.com and on the website of AMFI www.amfiindia.com.

The scheme wise annual report or an abridged summary thereof, in the format prescribed, shall be sent by way of e-mail to the investor's registered e-mail address not later than four months from the date of closure of the relevant accounts year.

Investors who have not registered their email id, will have an option of receiving a physical copy of the Annual Report or Abridged Summary thereof.

Tata Mutual Fund will provide a physical copy of the abridged summary of the Annual Report, without charging any cost, on specific request received from a unitholder. Physical copies of the report will also be available to the unitholders at the registered offices at all times.

Tata Mutual Fund will publish an advertisement every year, in the all India edition of at least two daily newspapers, one each in English and Hindi, disclosing the hosting of the scheme wise annual report on the AMC website (www.tatamutualfund.com) and on the website of AMFI (www.amfiindia.com).

- A person who is resident of Canada.
- OCB (Overseas Corporate Bodies) as defined under Income Tax Act, 1961 and under Foreign Exchange Management Act, 1999.

Compliance under Foreign Account Tax Compliance Act (FATCA) regulations:

United States of America (US) has introduced chapter no. 4 in the US Internal Revenue Code as a part of the Hiring Incentives to Restore Employment (HIRE) Act, which was enacted by the US legislature to create employment opportunities in US. The HIRE Act includes Foreign Account Tax Compliance Act (FATCA), which now forms a part of the US-IR Code. The regulations for FATCA have undergone revision since 2010 and the final regulations make the FATCA provisions effective from July 1, 2014.

The objective of FATCA is to detect "US Persons", who evade US taxes by using financial account maintained outside US. The US persons are defined as those who have either US citizenship or US residency. The FATCA stipulates reporting on -

- US taxpayers about certain foreign financial accounts and offshore assets.
- Foreign Financial Institutions (FFIs) about financial accounts with them of US taxpayers or foreign entities in which US taxpayers hold substantial ownership interest.

FFIs (including mutual funds in India) are required to periodically report information on accounts of US persons, who maintain balances above a threshold. In the event of a default in the reporting of information on accounts of US taxpayers, a withholding of 30% of the payment made from US sources will be imposed on the recalcitrant account holders and non-participating Financial Institutions. SEBI vide its circular no. CIR/MIRSD/2/2014 dated June 30, 2014, has advised that Government of India and US Government have reached an agreement in substance on the terms of an Inter-Governmental Agreement (IGA) to implement FATCA and India is now treated as having an IGA in effect from April 11, 2014. Tata Asset Management Private Limited (TAMPL) is classified as a Foreign Financial Institution (FFI) under the FATCA provisions and in accordance therewith, the AMC would be required to comply with the rules & regulations of FATCA, from time to time.

In order to ensure compliance with FATCA and other rules / directions / notifications as may be issued by Government of India or other regulatory authority, Mutual Funds are required to institute a process to identify US Person investors and report the same.

Applicants are required to refer to the "FATCA information" section in the application and mandatorily fill/sign off on the same. Applications without this information / declaration being filled/signed off will be deemed as incomplete and are liable to be rejected. Investors are requested to note that

the contents of the information to be provided/ declaration in the application form may undergo a change on receipt of communication / guidelines from Government of India or AMFI or SEBI or any other regulatory authority.

Common Reporting Standard (CRS)

On similar lines of FATCA, the Organization of Economic Development (OECD), along with the G 20 countries, of which India is a member, has released a 'Standard for Automatic Exchange of Financial Account Information in Tax matters'. In order to combat the problem of offshore tax evasion and avoidance and stashing of unaccounted money abroad, the G 20 & OECD countries have together developed a common reporting standard (CRS) on automatic exchange of information (AEOI). On June 3, 2015 India has joined the Multilateral Competent Authority Agreement (MCAA) on AEOI. The CRS on AEOI requires the financial institutions of the 'source' jurisdiction to collect and report information to their tax authorities about account holders 'resident' in other countries. The information to be exchanged relates not only to individuals, but also to shell companies and trusts having beneficial ownership or interest in the 'resident' countries.

In view of India's commitment to implement the CRS on AEOI and also the IGA with USA and with a view to provide information to other countries necessary legislative changes has already been made in Finance Act & by inserting Rules 114F to 114H and Form 61B to provide a legal basis for the Reporting Financial Institutions (RFIs) for maintaining and reporting information about the reportable accounts.

Applicants are required to refer to the "FATCA/CRS information" section in the application and mandatorily fill/sign off on the same. Applications without this information / declaration being filled/signed off will be deemed as incomplete and are liable to be rejected. Investors are requested to note that the contents of the information to be provided/ declaration in the application form may undergo a change on receipt of communication / guidelines from Government of India or AMFI or SEBI or any other regulatory authority.

With the change in guidelines, investors may be called for additional information required by the law. Investors are requested to keep Mutual Fund updated with change in information already submitted by them with Mutual Fund. FATCA provisions are relevant not only at on-boarding stage of investor(s)/unit holder(s) but also throughout the life cycle of investment with the Fund/the AMC. In view of this, Investors should immediately intimate to the Fund/the AMC, in case of any change in their status with respect to FATCA/CRS related declaration provided by them previously.

Investors(s)/Unit holder(s) should consult their own tax advisors to understand the implications of FATCA/CRS provisions /requirements.

With the change in guidelines, investors may be called for additional information required by the law. Investors are requested to keep Mutual Fund updated with change in information already submitted by them with Mutual Fund.

How to apply:

KYC Procedure: SEBI vide Circular no. CIR/MIRSD/66/2016 dated July 21, 2016 and circular no. CIR/MIRSD/120/2016 dated November 10, 2016 has intimated about the operationalization of Central KYC Records Registry ("CKYCR"). AMFI vide Best Practice Guideline circular no. 135/BP/68/2016-17 dated December 22, 2016 has prescribed guidelines including Central KYC ("CKYC") forms for implementing the CKYC norms.

In this regard, any individual customer who has not done KYC under the KYC Registration Agency (KRA) regime shall fill the new CKYC form.

If such new customer uses the old KRA KYC form, such customer would either fill the new CKYC or provide additional / missing information in the Supplementary CKYC form.

Non-Individual Investors to use the existing KYC forms for KYC process. Application forms complete in all respects, accompanied by or cheque / draft are to be submitted to any of the Authorised Investor Service Centres, as stated in the scheme information document or as may be decided by AMC from time to time. All cheques and bank drafts accompanying the application form should contain the application form number and the name of the applicant on its reverse. For additional instructions, investors are requested to follow the application form carefully. All cheques/ drafts by the applicants should be made out in favour of "The name of the scheme" and crossed "A/c Payee and Not Negotiable".

Investors subscribing under Direct Plan of a Scheme will have to indicate "Direct Plan" against the scheme name in the application form e.g., "Scheme Name - Direct Plan". Investors should also indicate "Direct" in the ARN number of the application form.

For Existing Investments: Investors wishing to transfer their accumulated unit balance held under Existing Plan (through lumpsum / systematic investments made with or without Distributor code) to Direct Plan will have to switch / redeem their investments (subject to applicable Exit Load, if any) & apply under Direct Plan. Investors who have invested without Distributor code & have opted for Income Distribution Cum Capital Withdrawal Reinvestment facility under Existing Plan may note that the Income Distribution Cum Capital Withdrawal will continue to be reinvested in the Existing Plan only.

Application form (duly completed), along with a cheque (drawn on Chennai) / DD (payable at Chennai) may also be sent by Mail directly to the Registrar viz. Computer Age Management Services (Private) Limited, Unit: Tata Mutual

Fund, No. 178/10, Kodambakkam High Road, Opp. Hotel Palmgrove, Nungambakkam, Chennai 600 034.

If there is no Authorised Investor Service Centres where the investor resides, he/she may purchase a Demand Draft from any other Bank in favour of "The name of the scheme" and crossed "A/c Payee and Not Negotiable" respectively payable at Chennai, after deducting bank charges / commission (not exceeding charges prescribed by State Bank of India) from the amount of investment. If such bank charges / commission are not deducted by the applicant, then the same may not be reimbursed. However, in case of application along with local Cheque or Bank Draft payable at Mumbai, at / from locations where TMF has its designated Authorised Investor Service Centres, Bank Draft charges/ commission may have to be borne by the applicant. In such cases the Trustee Company is entitled, in its sole and absolute discretion, to reject or accept any application.

Option to hold Units in dematerialized (demat) form: W.e.f. 01 January, 2012 option to hold Units in dematerialized (demat) form is available for subscription by way of SIP, also in all schemes of Tata Mutual Fund (except for subscription in Plans / Options where Income Distribution Cum Capital Withdrawal distribution frequency is less than one month). In case of SIP, units will be allotted based on the applicable NAV as per respective SID & will be credited to investors Demat Account on weekly basis on realisation of funds. Investors opting for allotment of units in demat form shall mention demat account details in the application form. For restriction on acceptance of third party payments for subscription of units of schemes, kindly refer application / instruction form.

Subscription by NRIs

In terms of Schedule 5 of Notification no. FEMA 20/2000 dated May 3, 2000, RBI has granted general permission to NRIs to purchase, on a repatriation basis units of domestic mutual funds. Further, the general permission is also granted to NRIs to sell the units to the mutual funds for repurchase or for the payment of maturity proceeds, provided that the units have been purchased in accordance with the conditions set out in the aforesaid notification. For the purpose of this section, the term "mutual funds" is as referred to in Clause (23D) of Section 10 of Income-Tax Act 1961. However, NRI investors, if so desired, also have the option to make their investment on a non-repatriable basis.

Subscription by FPI

Foreign portfolio investor (FPI) means a person who satisfies the eligibility criteria prescribed under regulation 4 and has been registered under Chapter II of SEBI (Foreign Portfolio Investors) Regulations, 2014, provided that any foreign institutional investor or qualified foreign investor who holds a valid certificate of registration shall be deemed to be a foreign portfolio investor till the expiry of the block of three years for which fees have been paid.

No person shall buy, sell or otherwise deal in securities as a foreign portfolio investor unless it has obtained a certificate granted by the designated depository participant on behalf of SEBI.

Under SEBI (Foreign Portfolio Investors) Regulations, 2014 FPI (FII/Sub Account of FII) are allowed to invest in Units of schemes floated by domestic mutual funds, whether listed on a recognized stock exchange or not; subject to compliance of the investment limits and terms and conditions as may be specified by SEBI/RBI.

Mode of Payment on Repatriation basis NRIs

In case of NRIs and persons of Indian origin residing abroad, payment may be made by way of Indian Rupee drafts purchased abroad and payable at Mumbai or by way of cheques drawn on Non-Resident (External) (NRE) Accounts payable at par at Mumbai. Payments can also be made by means of rupee drafts payable at Mumbai and purchased out of funds held in NRE / FCNR Accounts.

In case Indian rupee drafts are purchased abroad or from Foreign Currency Accounts or Non-resident Rupee Accounts an account debit certificate from the Bank issuing the draft confirming the debit shall also be enclosed.

FIIs (which are deemed FPI)

FIIs may pay their subscription amounts either by way of inward remittance through normal banking channels or out of funds held in Foreign Currency Account or Non-resident Rupee Account maintained by the FII with a designated branch of an authorized dealer with the approval of the RBI subject to the terms and conditions set out in the aforesaid notification.

Mode of payment on Non-Repatriation basis

In case of NRIs/Persons of Indian origin seeking to apply for Units on a non-repatriation basis, payments may be made by cheques/demand drafts drawn out of Non-Resident Ordinary (NRO) accounts/ Non-Resident Special Rupee (NRSR) accounts and Non Resident Non-Repatriable (NRNR) accounts payable at the city where the Application Form is accepted.

Refunds, interest & other distribution (if any) and maturity proceeds/repurchase price and/or income earned (if any) will be payable in Indian Rupees only. The maturity proceeds/repurchase value of units issued on repatriation basis, income earned thereon, net of taxes may be credited to NRE/FCNR account (details of which should be furnished in the space provided for this purpose in the Application Form) of the non-resident investor or remitted to the non-resident investor. Such payments in Indian Rupees will be converted into US dollars or into any other currency, as may be permitted by the RBI, at the rate of exchange prevailing at the time of remittance & will be dispatched through Registered Post at the unitholders risk. The Fund will not be liable

for any loss on account of exchange fluctuations, while converting the rupee amount in US dollar or any other currency. Credit of such proceeds to NRE/FCNR account or remittance thereof may be permitted by authorized dealer only on production of a certificate from the Fund that the investment was made out of inward remittance or from the Funds held in NRE/FCNR account of the investor maintained with an authorized dealer in India. However, there is no objection to credit of such proceeds to NRO/NRSR account of the investor if he so desires.

Subscription by Multilateral Funding Agencies, on full repatriation basis, is subject to approval by the Foreign Investment Promotion Board.

Rejection of applications

Applications not complete in any respect are liable to be rejected. The Trustee Company may reject any application not in accordance with the terms of the Scheme.

Documents to be submitted

In the case of applications under Power of Attorney

If any application or any request for transmission is signed by a person holding a valid Power of Attorney, the original Power of Attorney or a certified copy duly notarised should be submitted with the application or the transmission request, as the case may be, unless the Power of Attorney has already been registered with the Fund / Registrar.

In the case of applications by limited Company or a corporate body or an eligible institution or a registered society or a Trust or a Fund or a FII, etc.

In the case of applications by limited Company or a corporate body or an eligible institution or a registered society or a trust or a fund or a FII, a certified true copy of the Board resolution of the managing body authorising investments in Units including authority granted in favour of the officials signing the application for Units & their specimen signature etc. alongwith a certified copy of the Memorandum & Articles of Association & / or bye-laws & / or trust deed & / or partnership deed & Certificate of Registration should be submitted. The officials should sign the application under the official designation. In the case of a Trust/ Fund, it shall produce a resolution from the Trustee(s) authorising such purchases.

The above mentioned documents or duly certified copy thereof must be lodged separately at the office of the Registrar to the Offer, quoting the serial number of the application. In case of non submission of the above mentioned documents, the Trustee Company is entitled, in its sole and absolute discretion, to reject or accept any application.

Transactions through online facilities / electronic modes: The time of transaction done through various online facilities / electronic modes offered by the AMC, for the purpose of determining the applicability of NAV, would be the time when the request for purchase / sale / switch of units is received in the servers of AMC/RTA. In case of transactions through online facilities / electronic modes, the movement of funds from the investors' bank account to the Scheme's bank account may happen via the Intermediary / Aggregator service provider through a Nodal bank account and post reconciliation of fund. The process of movement of funds from the investors' bank account into the Scheme's Bank account in case of online transaction is governed by Reserve Bank of India(RBI)vide their circular Ref. RBI/2009-10/231 DPSS. CO.PD. No.1102/02.14.08/2009-10 dated 24th November, 2009. The process followed by the aggregator and the time lines within which the Funds are credited into the Scheme's bank account is within the time lines provided by RBI which is T+3 settlement cycle / business days, where T is the date of Transaction / day of intimation regarding completion of transaction. The nodal bank account as stated above is an internal account of the bank and such accounts are not maintained or operated by the intermediary / aggregator or by the Mutual Fund. While the movement of Funds out of the investors' Bank account may have happened on T day, however post reconciliation and as per statutory norms the allotment can happen only on availability of Funds for utilization by the AMC/MF and accordingly the transaction will processed as per the applicable NAV based on availability of funds for utilization. This lag may impact the applicability of NAV for transactions where NAV is to be applied, based on actual realization of funds by the Scheme. Under no circumstances will Tata Asset Management Private Limited or its bankers or its service providers be liable for any lag / delay in realization of funds and consequent pricing of units. The AMC has the right to amend cut off timings subject to SEBI (MF) Regulations for the smooth & efficient functioning of the Scheme(s).

TRANSACTION THROUGH STOCK EXCHANGE PLATFORM

Tata Mutual Fund has signed an agreement with BSE & NSE for allowing transactions in the Scheme through stock exchange platform.

The schemes covered in this KIM are admitted on the order routing platform of Bombay Stock Exchange Limited ("BSE") and National Stock Exchange of India Limited ("NSE"). Under this facility investors can submit the application for subscription and redemption of units of the scheme through the Stock Exchange platform. The introduction of this facility is pursuant to guidelines issued by SEBI vide circular SEBI/IMD/CIR No.11/183204/2209 dated November 13, 2009 and the Stock Exchanges viz. BSE & NSE.

The following are the salient features of the new facility introduced for the benefit of investors:

1) This facility i.e., purchases (Lumpsum & SIP)/redemption of units will be available to both existing & new investors. Switching of units will not be

permitted through stock exchange platform. 2) The investors will be eligible to purchase /redeem units of the aforesaid schemes. The list of eligible schemes is subject to change from time to time. 3) All trading members of BSE & NSE who are registered with AMFI as Mutual Fund Advisors & who have signed up with Tata Asset Management Pvt Ltd

& also registered with BSE & NSE as Participants ("AMFI certified stock exchange brokers") will be eligible to offer this facility to investors. In order to facilitate transactions in mutual fund units through the stock exchange infrastructure, BSE has introduced BSE StAR MF Platform & NSE has introduced Mutual Fund Service System (MFSS). 4) The units of eligible Schemes are not listed on BSE & NSE & the same cannot be traded on the Stock Exchange like shares. The window for submission of application for purchase/redemption of units on BSE & NSE will be available between 9 a.m. & 3 p.m. or such other timings as may be decided by the Stock Exchanges. 5) The eligible AMFI certified stock exchange brokers will be considered as Official Points of Acceptance (OPA) of Tata Mutual Fund as per SEBI circular No. SEBI/IMD/CIR No/11/78450/06 dated October 11, 2006. 6) Investors have an option to subscribe/redeem units in physical or dematerialized form on BSE StAR & NSE MFSS MF system. In case of redemption request received through MFSS/BSE StAR/DP residual units will continue to remain in the Registrar & Transfer Agents records & the residual units will be redeemed only after investor request to redeem. 7) The facility to purchase through SIP is available in demat form on both BSE StAR & NSE MFSS platform. 8) As clarified by SEBI vide its circular no. CIR/IMD/DF/10/2010 dated August 18, 2010, restriction on transfer of units shall not be applicable to units held in dematerialized mode & thus the units are freely transferable. However, the restrictions on transfer of units of ELSS schemes during the lock in period shall continue to be applicable as per the ELSS guidelines. 9) Investors will be able to purchase/redeem units in eligible schemes in the following manner:

(i.) Purchase of Units:

a. Physical Form (Available on NSE MFSS & BSE StAR MF)

· The investor who chooses the physical mode is required to submit all requisite documents along with the purchase application (subject to applicable limits prescribed by BSE / NSE) to the AMFI certified stock exchange brokers. · The AMFI certified stock exchange broker shall verify the application for mandatory details & KYC compliance. · After completion of the verification, the purchase order will be entered in the Stock Exchange system & an order confirmation slip will be issued to investor. · The investor will transfer the funds to the AMFI certified stock exchange brokers. · Allotment details will be provided by the AMFI certified stock exchange brokers to the investor.

b. Dematerialized Form (Available on NSE MFSS & BSE StAR MF)

· The investors who intend to deal in depository mode are required to have a demat account with Central Depository Services (India) Ltd ("CDSL") / National Securities Depository Ltd. ("NSDL"). · The investor who chooses the depository mode is required to place an order for purchase of units (subject to applicable limits prescribed by BSE/NSE) with the AMFI certified stock exchange brokers. · The investor should provide their depository account details to the AMFI certified stock exchange brokers. · The purchase order will be entered in the Stock Exchange system & an order confirmation slip will be issued to investor. · The investor will transfer the funds to the AMFI certified stock exchange brokers.

(ii.) Redemption of Units:

a. Physical Form (Available on BSE StAR & NSE MFSS Platform)

· The investor who chooses the physical mode is required to submit all requisite documents along with the redemption application (subject to applicable limits prescribed by BSE / NSE, if any) to the AMFI certified stock

exchange brokers. There is no maximum cap on redemption request. · The redemption order will be entered in the Stock Exchange system & an order confirmation slip will be issued to investor. · In case of redemption request received through MFSS/BSE StAR/DP residual units will continue to remain in the Registrar & Transfer Agents records & the residual units will be redeemed only after investor request to redeem. · The redemption proceeds will be credited to the bank account of the investor, as per the bank account mandate recorded with Tata Mutual Fund & within the timelines as per SEBI regulations as applicable from time to time or it will be sent to the investor in the mode selected by the investor. · Redemption request may also be submitted to any of the Investor service centers. · In case investors desire to convert the physical units into dematerialized form, the dematerialized request will have to be submitted with the Registrar.

b. Dematerialized Form (Available on NSE MFSS & BSE StAR MF)

· The investors who intend to deal in depository mode are required to have a demat account with CDSL/ NSDL & units converted from physical mode to demat mode prior to placing of redemption order. · The investor who chooses the depository mode is required to place an order for redemption (subject to applicable limits prescribed by BSE/NSE) with the AMFI certified stock exchange brokers. The investors should provide their Depository Participant with Depository Instruction Slip with relevant units to be credited to Clearing Corporation pool account. · The redemption order will be entered in the system & an order confirmation slip will be issued to investor. · Presently no limit is applicable for the redemption of units.

· In respect of investors having demat account & purchasing & redeeming units through stock brokers & clearing members, investors shall receive redemption amount (If units are redeemed) & units (if units are purchased) through broker/clearing member's pool account. The Asset Management Company/ Mutual Fund will pay proceeds to the broker/clearing member (in case of redemption) & broker/clearing member in turn to the respective investor & similarly units shall be credited by MF/AMC into broker/ clearing members' pool account (in case of purchase) & broker/clearing member in turn to the respective investor. It is to be noted that payment of redemption proceeds to the broker/clearing members by MF/AMC shall discharge MF/AMC of its obligation of payment to individual investor & in case of purchase o units, crediting units into broker/clearing member pool account shall discharge MF/AMC of its obligation to allot units to individual investor.
