INVESTMENT OBJECTIVE

The investment objective of the scheme is to provide long term capital appreciation and income distribution to the investors by predominantly investing in equity and equity related instruments, equity arbitrage opportunities and investments in debt and money market instruments.

However, there is no assurance or guarantee that the investment objective of the Scheme will be achieved. The scheme does not assure or guarantee any returns.

ASSET ALLOCATION

Under normal circumstances, the asset allocation of the Scheme will be as follows

Instruments	Indicative Allocation (% of Total Assets)		Risk Profile
	Minimum	Maximum	
Equity & Equity Related instruments, of which	65%	90%	Medium to High
- Net Long Equity Exposure- Equity & Equity related instruments* and units of Equity Funds of Tata AMC ^ $	15%	35%	Medium to High
- Equity & Equity Derivatives (Arbitrage/Hedged Exposure) **	30%	70%	Low to Medium
Debt, cash and Money Market Instruments	10%	35%	Low to Medium
Exchange Traded Commodity Derivatives (ETCDs)	0%	10%	Medium to High
Units of Reits & Invits	0%	10%	Medium to High

The cumulative gross exposure to equity, debt, REITs & Invits and derivative position (including ETCDS) shall not exceed 100% of the net assets of the scheme.Cash or cash equivalents with residual maturity of less than 91 days may be treated as not creating any exposure. Cash Equivalent shall consist Government Securities,T-Bills & Repo on Government Securities

The Maximum net exposure to derivatives (excluding hedge position) will not exceed 70% of the net assets of the scheme

The net long (Unhedged) equity exposure would be capped at a maximum of 35% of the portfolio.

$ The net long equity exposure will be managed as per the stated investment strategies. However, deviation in the investment pattern shall be subject to rebalancing requirements as stated in clause "Change in the Investment pattern."

*This denotes only net long equity exposures aimed to gain from potential capital appreciation of these positions. Thus it is a directional equity exposure which is not hedged.

** This denotes equity positions by investing in arbitrage opportunities in the equity market. The Fund Manager in the above case can therefore take exposure to equivalent stock/ index futures & create completely covered positions to avail arbitrage between spot & futures market. Thus the entire position is primarily used to lock arbitrage profit. The margin money requirement for the purposes of derivative exposure may be held in the form of Term Deposit.

^ including units of open ended Mutual Fund Schemes

Exposure to derivative instruments will be restricted to 70% of the net assets of scheme.

The Scheme does not seek to invest in securitized debt, foreign securities, repo/ reverse repo in corporate debt securities and does not seek to participate in Credit Default Swaps.

Money Market Instruments include commercial papers, commercial bills, treasury bills, Tri-Party repo, Government Securities having an unexpired maturity up to one year, call or notice money, certificates of deposit, usance bills and any other like instruments as specified by the RBI from time to time. The Scheme retains the flexibility to invest across all securities in the Debt Securities and Money Market Instruments. The Scheme may also invest in units of debt and liquid mutual fund schemes. The portfolio may hold cash depending on the market conditions. The actual percentage of investment in various Money Market and other fixed income Securities will be decided after considering the economic environment including interest rates and inflation, the performance of the corporate sector and general liquidity and other considerations in the economy and markets.

If suitable arbitrage opportunities is not available than the fund manager may hedge the equity long position. However if the debt / money market instruments are providing more efficient returns than equity exposure then the fund manager may choose to have a lower equity arbitrage/hedge exposure. In such defensive circumstances the asset allocation will be as per the below table:

Instruments	Indicative Allocation (% of Total Assets)		Risk Profile
	Minimum	Maximum	
Equity & Equity Related instruments, of which	15%	90%	Medium to High
- Net Long Equity Exposure- Equity & Equity related instruments*^	15%	35%	Medium to High
- Equity & Equity Derivatives (Arbitrage/ Hedged Exposure) **	0%	70%	Low to Medium
Debt, Cash & Money Market Securities #	10%	85%	Low to Medium

The net long (Unhedged) equity exposure would be capped at a maximum of 35% of the portfolio.

* This denotes only net long equity exposures aimed to gain from potential capital appreciation of these positions. Thus it is a directional equity exposure which is not hedged.

** Equity exposure would be used for arbitrage opportunity to the extent possible and balance exposure may either be hedged with corresponding equity derivatives or may be invested in money market /debt securities. The margin money requirement for the purposes of derivative exposure may be held in the form of Term Deposit.

The Fund may engage in short selling of securities in accordance with the framework relating to short selling and securities lending and borrowing specified by SEBI.

Not more than 20% of the net assets of the fund can generally be deployed in stock lending. The scheme would limit its exposure, with regards to securities lending, for a single intermediary, to the extent of 5% of the total net assets of the scheme at the time of lending.

Pending deployment of the funds in securities in terms of investment objective of the Scheme, the AMC may park the funds of the Scheme in short term deposits of the Scheduled Commercial Banks, subject to the guidelines issued by SEBI vide its circular dated April 16, 2007, as may be amended from time to time.

The AMC may from time to time for a short term period on defensive consideration / pending deployment of funds, invest upto 100% of the funds

available in Money Market Instruments, the primary motive being to protect the Net Asset Value of the Scheme and protect unitholders interests so

also to earn reasonable returns on liquid funds maintained for redemption/ repurchase of units.

Due to market conditions, the AMC may invest beyond the range set out above. Such deviations shall normally be for a short term purpose only, for defensive considerations and the intention being at all times to protect the interests of Unit Holders.

Change in Investment Pattern

The Investment Patterns as outlined above are indicative. Investment strategy and pattern may be deviated from time to time, provided such modification is in accordance with the Scheme(s) objective and Regulations as amended from time to time, the intent being to protect the Net Asset Value of the scheme and unitholders' interests. In case of deviation due to passive breaches, the AMC will achieve a normal asset allocation pattern in a maximum period of 30 business days. In case deviation in investment pattern in not rebalanced within the period indicated above then justification in writing for such delay including details of efforts undertaken to rebalance of portfolio shall be placed before the investment committee. The Investment Committee if so desires, can extend the timelines upto sixty (60) business days from the date of mandated completion of rebalancing period.

In case the portfolio of schemes is not rebalanced within the aforementioned mandated plus extended timelines, AMCs shall:

i. not be permitted to launch any new scheme till the time the portfolio is rebalanced.
ii. not to levy exit load, if any, on the investors exiting the scheme..

Risk Profile of the Scheme

Mutual Fund Units involve investment risks including the possible loss of principal. Please read the SID carefully for details on risk factors before investment. Scheme specific Risk Factors are summarized below:

Scheme Specific Risk Factors:

Risks associated with Capital Markets or Equity Markets, (i.e. Markets in which Equity Shares or Equity oriented instruments are issued and traded)

Investment Risks

The price of securities may go up or down depending on a variety of factors and hence investors may note that AMC/Fund Manager's investment decisions may not be always profitable. Although it is intended to generate capital appreciation and maximize the returns by actively investing in equity securities and utilising debt and money market instruments as a defensive investment strategy. The price of securities may be affected generally by factors affecting capital markets such as price and volume, volatility in the stock markets, interest rates, currency exchange rates, foreign investment, changes in Government and Reserve Bank of India policy, taxation, political, economic or other developments, closure of the Stock Exchanges etc. Investors should understand that the investment pattern indicated, in line with prevailing market conditions, is only a hypothetical example as all investments involve risk and there is no assurance that the Fund's investment objective will be attained or that the Fund may not be in a position to maintain the indicated percentage of investment pattern under exceptional circumstances. There is no guarantee the investment / dis-investment decision will result into profit.

The fund may use techniques and instruments for efficient portfolio management and to attempt to hedge or reduce the risk. However these techniques and instruments if imperfectly used have the risk of the fund incurring losses due to mismatches particularly in a volatile market. The Fund's ability to use these techniques may be limited by market conditions, regulatory limits and tax considerations (if any). The use of these techniques is dependent on the ability to predict movements in the prices of securities being hedged and movements in interest rates. There exists an imperfect correlation between the hedging instruments and the securities or market sectors being hedged. Besides, the fact that skills needed to use these instruments are different from those needed to select the Fund's / plan's securities. There is a possible absence of a liquid market for any particular instrument at any particular time even though the futures and options may be bought and sold on an organised exchange. The use of these techniques involves possible impediments to effective portfolio management or the ability to meet repurchase / redemption requests or other short-term obligations because of the percentage of the Fund's assets segregated to cover its obligations.

Liquidity and Settlement Risks

The liquidity of the Scheme's investments may be inherently restricted by trading volumes, transfer procedures and settlement periods. From time to time, the Scheme will invest in certain securities of certain companies, industries, sectors, etc. based on certain investment parameters as adopted internally by AMC. While at all times the AMC will endeavour that excessive holding/investment in certain securities of industries, sectors, etc. by the Scheme(s) are avoided, the funds invested by the Scheme in certain securities of industries, sectors, etc. may acquire a substantial portion of the Scheme's investment portfolio and collectively may constitute a risk associated with non-diversification and thus could affect the value of investments. Reduced liquidity in the secondary market may have an adverse impact on market price and the Scheme's ability to dispose of particular securities, when necessary, to meet the Scheme's liquidity needs or in response to a specific economic event or during restructuring of the Scheme's investment portfolio.

Risk Associated with Analytical Model

The Fund Manager will employ certain strategies that depend upon the reliability and accuracy of the Fund Manager's analytical models. To the extent such models (or the assumptions underlying them) do not prove to be correct, the Scheme may not perform as anticipated, which could result in substantial losses.

Regulatory Risk

The value of the securities may be affected by uncertainties such as changes in government policies, changes in taxation and other developments in the laws and regulations.

Risk associated with to be listed /Unlisted Securities

Securities which are not quoted on the stock exchanges are inherently liquid in nature and carry a larger liquidity risk in comparison with securities that are listed on the exchanges or offer other exit options to the investors, including the put options. The liquidity and valuation of the scheme's investments due to its holdings of to be listed /unlisted securities may be affected if they have to be sold prior to the target date of disinvestment.

Securities Lending Risks

It may be noted that this activity would have the inherent probability of collateral value drastically falling in times of strong downward market trends, rendering the value of collateral inadequate until such time as that diminution in value is replenished by additional security. It is also possible that the borrowing party and/or the approved intermediary may suddenly suffer severe business setback and become unable to honour its commitments. This, along with a simultaneous fall in value of collateral would render potential loss to the Fund. Besides, there is also be temporary illiquidity of the securities that are lent out and the fund will not be able to sell such lent out securities until they are returned.

Risks associated with Debt / Money Markets (i.e. Markets in which Interest bearing Securities or Discounted Instruments are traded)

Interest Rate Risk

As with debt instruments, changes in interest rate may affect the price of the debt instrument(s) and ultimately Scheme's net asset value. Generally the prices of instruments increase as interest rates decline and decrease as interest rates rise. Prices of long-term securities fluctuate more in response to such interest rate changes than short-term securities. Indian debt and government securities markets can be volatile leading to the possibility of price movements up or down in fixed income securities and thereby to possible movements in the NAV.

Credit Risk

Credit risk or Default risk refers to the risk that an issuer of a fixed income security may default (i.e. the issuer will be unable to make timely principal and interest payments on the security). Because of this risk corporate debentures are sold at a higher yield above those offered on Government Securities which are sovereign obligations and free of credit risk. Normally, the value of fixed income securities will fluctuate depending upon the changes in the perceived level of credit risk as well as any actual event of default. The greater the credit risk, the greater the yield required for someone to be compensated for the increased risk.

Reinvestment Risk

This risk refers to the difference in the interest rate levels at which cash flows received from the securities in the scheme is reinvested. The additional income from reinvestment is the "interest on interest" component. The risk is that the rate at which interim cash flows are reinvested may be lower than that originally assumed.

Counterparty Risk

This is the risk of failure of counterparty to the transaction to deliver securities against consideration received or to pay consideration against securities delivered, in full or in part or as per the agreed specification. There could be losses to the scheme in case of counterparty default.

Derivatives carry the risk of adverse changes in the market price. The risk of mispricing or improper valuation and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.

Although for exchange traded derivatives, the risk is mitigated as the exchange provides the guaranteed settlement however in OTC trades the possibility of settlement is limited.

Risk associated with potential change in Tax structure

This summary of tax implications given in the taxation section (Units and Offer Section III) is based on the current provisions of the applicable tax laws. This information is provided for general purpose only. The current taxation laws may change due to change in the 'Income Tax Act 1961' or any subsequent changes/amendments in Finance Act/Rules/Regulations. Any change may entail a higher outgo to the scheme or to the investors by way of securities transaction taxes, fees, taxes etc. thus adversely impacting the scheme and its returns.

Risks related to Arbitrage Strategy

- In case of a large redemption, the scheme may need to reverse the spot-futures transaction before the date of futures' settlement. This eventuality may lead to the basis risk. While reversing the spot-futures transaction on the Futures & Options settlement day on the Exchange, there could be a risk of volume-weighted-average-price of the market being different from the price at which the actual reversal is processed. This may result in basis risk.
- On the date of expiry, when the arbitrage is to be unwound, it is not necessary for the stock price and its future contract to coincide. There could be a discrepancy in their prices even a minute before the market closes. Thus, there is a possibility that the arbitrage strategy gets unwound at different prices.

Risk Associated with investment in Instruments having Special Features:

Credit Risk/Principal at risk: The issuer has the option to write off the principal in times of severe financial stress. Since these bonds are unsecured investor will have any recourse to recover money in case issuer write off the principal. Such bonds may get converted into equity on happening of certain pre-defined event.

Central Bank may instruct issuer of the bonds to write down the entire value of its outstanding AT1 bonds, if it thinks the bank has passed the Point of Non Viability (PONV), or requires a capital infusion to remain a going concern.

Also, issuer may not pay interest under certain circumstances. Such interest can not be recovered in future also.

Interest Rate Risk: where there is no defined maturity, it may yield lower interest especially when the interest rates are rising.

Liquidity Risk: There is no surety that bond holder will get your principal back on the call date as the issuer may choose to extend the tenure of bonds at a future date. Bond holder has the option of selling these bonds in the secondary market but bond holder may have to exit at a loss as the bond's price may differ from the cost price. Also, some of these are bonds are thinly traded, which means there are limited buyers.

The above risk factors may result in losses to the scheme.

Risks associated with Segregated Portfolio

Investor holding units of segregated portfolio may not able to liquidate their holding till the time recovery of money from the issuer. Security comprises of segregated portfolio may not realise any value.

Listing of units of segregated portfolio in authorize stock exchange does not necessarily guarantee their liquidity. There may not be active trading of units in the stock market. Further trading price of units on the stock market may be significantly lower than the prevailing NAV

Risks Associated with Investments in REITs and InvITS:

· Market Risk: REITs and InvITs Investments are volatile and subject to price fluctuations on a daily basis owing to factors impacting the underlying assets. AMC/Fund Manager's will do the necessary due diligence, but actual market movements may be at variance with the anticipated trends.

· Liquidity Risk: As the liquidity of the investments made by the Scheme(s) could, at times, be restricted by trading volumes, settlement periods, dissolution of the trust, potential delisting of units on the exchange etc, the time taken by the Mutual Fund for liquidating the investments in the scheme may be high in the event of immediate redemption requirement. Investment in such securities may lead to increase in the scheme portfolio risk.

· Reinvestment Risk: Investments in REITs & InvITs may carry reinvestment risk as there could be repatriation of funds by the Trusts in form of buyback of units or dividend pay-outs, etc. Consequently, the proceeds may get invested in assets providing lower returns.

· Regulatory/Legal Risk: REITs and InvITs being new asset classes, rights of unit holders such as right to information etc. may differ from existing capital market asset classes under Indian Law

Risk associated with investing in exchange traded commodity derivatives

Commodity risks

The Fund may invest on in commodities markets and may therefore have investment exposure to the commodities markets and one or more sectors of the commodities markets, which may subject the Fund to greater volatility than investments in traditional securities, such as stocks and bonds. Volatility in the commodities markets may be caused by changes in overall market movements, domestic and foreign political and economic events and policies, war, acts of terrorism, changes in domestic or foreign interest rates and/or investor expectations concerning interest rates, domestic and foreign inflation rates, investment and trading activities of mutual funds, hedge funds and commodities funds, and factors such as drought, floods, weather, livestock disease, embargoes, tariffs and other regulatory developments, or supply and demand disruptions. Because the Fund's performance is linked to the performance of volatile commodities, investors should be willing to assume the risks of potentially significant fluctuations in the value of the Fund's shares.

Derivative products are leveraged instruments and can provide disproportionate gains as well as disproportionate losses to the investor. Execution of investment strategies depends upon the ability of the fund manager(s) to identify such opportunities which may not be available at all times. Identification and execution of the strategies to be pursued by the fund manager(s) involve uncertainty and decision of fund manager(s) may not always be profitable. No assurance can be given that the fund manager(s) will be able to identify or execute such strategies.

Systemic Risks

Systemic risks which may be witnessed while trading in Indian Commodities Market are liquidity risk, market risk in terms of volatility, Exchange Risk and counterparty risks.

Settlement Risk –

Risks pertaining to settlement of Commodity Derivatives vide Physical Delivery of goods

1) Incremental margin / cost to be borne- The Commodity exchanges have robust settlement process like the equity exchanges. However, there are rules and timelines which need to be complied with, failing which delivery of the commodity will need to be taken. This will lead to incremental cost to procure the commodity. Avoidance of the same will lead to the exchange penalizing the buyer or the seller or both depending on the type of commodity being dealt with.
2) Risk Factors in case settlement of Derivatives vide Physical Delivery of goods - Timelines to dispose off the physical goods, loss due to damage, inadequate insurance.

If the Commodities futures position passes its last square off date or the 'Intention' is missed to be provided before the Delivery Intention period, the buyer or the seller will be allocated delivery of the commodity. Thus, there emerges a risk of holding goods in physical form at the warehouses. Though the commodity is inclusive of insurance cost, there is a small deductible in each claim which is not payable by the Insurance company.

Risks associated with investing in Securities Segment and Tri-party Repo trade settlement:

The mutual fund is a member of securities segment and Tri-party Repo trade settlement of the Clearing Corporation of India (CCIL). All transactions of the mutual fund in government securities and in Tri-party Repo trades are settled centrally through the infrastructure and settlement systems provided by CCIL; thus reducing the settlement and counterparty risks considerably for transactions in the said segments. The members are required to contribute an amount as communicated by CCIL from time to time to the default fund maintained by CCIL as a part of the default waterfall (a loss mitigating measure of CCIL in case of default by any member in settling transactions routed through CCIL). CCIL shall maintain two separate Default Funds in respect of its Securities Segment, one with a view to meet losses arising out of any default by its members from outright and repo trades and the other for meeting losses arising out of any default by its members from Triparty Repo trades. The mutual fund is exposed to the extent of its contribution to the default fund of CCIL, in the event that the contribution of the mutual fund is called upon to absorb settlement/default losses of another member by CCIL, as a result the scheme may lose an amount equivalent to its contribution to the default fund.

Risks associated with Derivatives

- Derivative products are leverage instruments and can provide disproportionate gains as well as disproportionate losses to the investors. Execution of such strategies depends upon the ability of the Fund Manager to identify such opportunities. Identification and execution of the strategies to be pursued by the Fund Manager involved uncertainty and decision of Fund Manager may not always be profitable. No assurance can be given that the Fund Manager will be able to identify or execute such strategies.
- Derivative products are specialized instruments that require investment techniques and risk analysis different from those associated with stocks and bonds. Derivatives require the maintenance of adequate controls to monitor the transactions entered into, the ability to assess the risk that a derivative add to the portfolio and the ability to forecast price of securities being hedged and interest rate movements correctly. There is a possibility that a loss may be sustained by the portfolio as a result of the failure of another party (usually referred to as the "counterparty") to comply with the terms of the derivatives contract. Other risks in using derivatives include the risk of mis-pricing or improper valuation of derivatives and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.
- The risks associated with the use of derivatives are different from or possibly greater than, the risks associated with investing directly in securities and other traditional investments".
- The Scheme may face execution risk, whereby the rates seen on the screen may not be the rate at which the ultimate execution of the derivative transaction takes place.
- The Scheme may find it difficult or impossible to execute derivative transactions in certain circumstances. For example, when there are insufficient bids or suspension of trading due to price limit or circuit breakers, the Scheme may face a liquidity issue.
- Investments in index futures face the same risk as the investments in a portfolio of shares representing an index. The extent of loss is the same as in the underlying stocks.
- The Scheme bears a risk that it may not be able to correctly forecast future market trends or the value of assets, indices or other financial or economic factors in establishing derivative positions for the Scheme.
- There is the possibility that a loss may be sustained by the portfolio as a result of the failure of another party (usually referred to as the "counter party") to comply with the terms of the derivatives contract. The counter party may default on a transaction before settlement and therefore, the Scheme is compelled to negotiate with another counterparty at the then prevailing (possibly unfavorable) market price.
- The risk of loss in trading futures contracts can be substantial, because of the low margin deposits required, the extremely high degree of leverage involved in futures pricing and the potential high volatility of the futures markets.
- Where derivatives are used for hedging, such use may involve a basic risk where the instrument used as a hedge does not match the movement in the instrument/underlying asset being hedged. The risk may be inter-related also e.g. interest rate movements can affect equity prices, which could influence specific issuer/industry assets.

Other risks in using derivatives include the risk of mispricing or improper valuation of derivatives and the inability of derivatives to correlate perfectly with underlying assets, rates and indices.

Risks Factors associated with transaction in Units through stock exchange(s)

In respect of transaction in Units of the Scheme through BSE and / or NSE, allotment and redemption of Units on any Business Day will depend upon the order processing / settlement by BSE and / or NSE and their respective clearing corporations on which the Fund has no control.

Risk Control / Mitigation measures for equity investments and related investments:

Investment in equity has an inherent market risk which cannot be mitigated generally. Also due to the concentrated equity portfolio strategy, the investment in the scheme is subject to higher risk compared scheme investing in a well –diversified equity portfolio. Following measures have been implemented with an objective to mitigate /control other risks associated with equity investing:

Nature of Risk	Mitigation Measures
Regulatory Risk	· Online monitoring of various exposure limits by the Front Office System. Also as a backup, manual controls are also implemented.
Poor Portfolio Quality	· Pre-approved universe of stocks based on strong fundamental research. New stock addition only with the prior approval of investment committee.
Performance Risk	· Periodical review of stock wise profit & loss. Review of scheme performance vis. a vis. Benchmark index as well as peer group.
Liquidity Risk	· Periodical review of the liquidity position of each scrip (Market capitalization, average volume in the market vis. a vis. Portfolio Holding)
Concentration Risk	· Cap on maximum single sector exposure. Cap on maximum single stock exposure

Risk Control / Mitigation measures for Debt and related Investments:

Nature of Risk	Mitigation Measures
Liquidity Risk	· Focus on good quality paper at the time of portfolio construction · Portfolio exposure spread over various maturity buckets to in line with maturity of a scheme.
Credit Risk	· In house dedicated team for credit appraisal · Issuer wise exposure limit · Rating grade wise exposure limit · Periodical portfolio review by the Board of AMC
interest Rate Risk	· Close watch on the market events · Active duration management · Portfolio exposure spread over various maturities.
Regulatory Risk	Online monitoring of various exposure limits by the Front Office System also as a backup, manual control are implemented.

Risk Mitigation measures related to Exchange Traded Commodity Derivatives

Investment in commodity has an inherent market risk in terms of volatility, which cannot be mitigated generally. However, SEBI has allowed participation in ETCDs only which likely to have enough liquidity in the market.

The settlement risk shall be mitigated by ensuring that the trade positions do not fall in delivery mode. In case of delivery of goods, TMF shall dispose of such goods from the books of the scheme at the earliest not exceeding 30 days from the date of holding of the physical goods.

Further, the Investment Manager endeavours to invest in REITs/InvITs, where adequate due diligence and research has been performed by the Investment Manager. The Investment Manager also relies on their own research as well as third party research. The analysis will focus, amongst others, on the predictability and strength of cash flows, value of assets, capital structure, business prospects, policy environment, strength of management, responsiveness to business conditions, etc.

WHERE WILL THE SCHEME INVEST

In line with the investment allocation pattern of the scheme, the scheme will predominantly invest in:

i) Equity and equity related instruments of domestic companies and/ or equity derivatives such as options and futures.

SEBI/IMD/Cir.No. 1/91171/07 dated April 16,2007,SEBI/HO/IMD/DF4/CIR/P/2019/093 dated August 16, 2019, SEBI/HO/IMD/DF2/CIR/P/2019/101 dt. September 20, 2019 , as may be amended from time to time.
- Domestic Interest Rate Derivatives like interest rate swaps, forward rate agreement, interest rate futures, options and such other derivative instruments as permitted by SEBI / RBI from time to time.
- Any other like instruments as may be permitted by SEBI/RBI from time to time.

Investment in Exchange Traded Commodity Derivatives:

The scheme may participate in Exchange Traded commodity derivatives (ETCDs), However, the scheme may hold the underlying goods in case

of physical settlement of contracts. In such case mutual fund shall dispose of such goods from the books of the scheme within following timelines:

a) Gold and Silver: - 180 days from the date of holding of physical goods,

b) For other goods (except for Gold and Silver):

By the immediate next expiry day of the same contract series of the said commodity.

However, if Final Expiry Date (FED) of the goods falls before the immediate next expiry day of the same contract series of the said commodity, then within 30 days from the date of holding of physical goods.

Investment in REITs & InviTs

Investment in Real Estate Investment Trust (REITs) & Infrastructure Investment Trust (InvITs) "REIT" or "Real Estate Investment Trust" shall have the meaning assigned in clause (zm) of sub-regulation 1 of regulation 2 of the Securities and Exchange Board of India (Real Estate Investment Trusts) Regulations, 2014. REITs are companies that own and lease out commercial or residential real estate. The rental incomes from the properties are shared among REIT investors, who are allotted units. These units are tradeable on exchanges.

"InvIT" or "Infrastructure Investment Trust" shall have the meaning assigned in clause (za) of sub-regulation (1) of regulation 2 of the Securities and Exchange Board of India (Infrastructure investment Trusts) Regulations, 2014. InvITs are similar to REITs, except these own infrastructure assets not real estate.

The above lists are illustrative and not the exhaustive and may include other money market securities as may be available / introduced in the market.

The securities/debt instruments mentioned above could be listed or to be listed, to be listed , unlisted, secured or unsecured, rated and of varying maturities and other terms of issue. The securities may be acquired through Initial Public Offerings (IPOs), secondary market operations, private placement, rights offer or negotiated deals. Please refer to the Clause "Liquidity & Settlement Risks" under Specific Risk Factors to understand the liquidity risk associated with securities. The Scheme may also enter into repurchase and reverse repurchase obligations in all securities held by it as per guidelines / regulations applicable to such transactions.

Investment in Securities of Group Companies

As per SEBI (Mutual Funds) Regulations 1996, the Fund shall not make any investments in any un-listed securities of associate/ group companies of the Sponsors. The Fund will also not make investment in privately placed securities issued by associate / group companies of the Sponsors. The Fund may invest not more than 25% of the net assets in listed securities of Group companies.

Derivatives and Hedging Products:

The Scheme will comply with all the applicable circulars issued by SEBI as regard to derivatives viz. SEBI Circular no. SEBI/MFD/CIR No. 03/ 158 /03 dated June 10, 2003, no. DNPD/Cir-29/2005 dated September 14, 2005, no. SEBI/IMD/CIR No. 9/108562/07 dated November 16,2007, no. Cir/ IMD/ DF/ 11/ 2010 dated August 18, 2010.

Options:

An option gives a person the right but not an obligation to buy or sell something. An option is a contract between two parties wherein the buyer receives a privilege for which he pays a fee (premium) and the seller accepts an obligation for which he receives a fee. The premium is the price negotiated and set when the option is bought or sold. A person who buys an option is said to be long in the option. A person who sells (or writes) an option is said to be short in the option.

An option contract may be of two kinds:

1) Call option: An option that provides the buyer the right to buy is a call option. The buyer of the call option can call upon the seller of the option and buy from him the underlying asset at the agreed price. The seller of the option has to fulfil the obligation upon exercise of the option.

2) Put option: The right to sell is called a put option. Here, the buyer of the option can exercise his right to sell the underlying asset to the seller of the option at the agreed price.

Option contracts are classified into two styles:

(a) European Style

In a European option, the holder of the option can only exercise his right on the date of expiration only.

(b) American Style

In an American option, the holder can exercise his right anytime between the purchase date and the expiration date.

Interest Rate Swap & Forward Rate Agreements

An interest rate swap is a financial contract between two parties exchanging a stream of interest payments for a notional principal amount on multiple occasions during a specified period.

Typically, one party receives a pre-determined fixed rate of interest while the other party, receives a floating rate, which is linked to a mutually agreed benchmark with provision for mutually agreed periodic resets.

As per SEBI (Mutual Fund) Regulations 1996, the Scheme shall not make any investments in any un-listed securities of associate / group companies of the Sponsors. The Fund will also not make investment in privately placed securities issued by associate / group companies of the Sponsor. The Scheme may invest not more than 25% of the net assets in listed securities of Group companies.

Investment Strategies

The investment strategy is aimed at generating income by investing in arbitrage opportunities in the cash and derivatives segments of the equity markets, in commodities market and debt securities and at the same time attempting to enhance returns through unhedged long exposure in equity and equity related instruments. If suitable arbitrage opportunities are not available in the opinion of the Fund Manager, the scheme may hedge the equity exposure and invest balance amount in debt, Exchange Traded Commodity Derivatives (ETCDs), Reits & Invits and money market securities.

Commodities: Pertaining to commodities the scheme shall invest in the appropriate Exchange Traded Commodity Derivatives (ETCD's)

Under commodity derivatives the scheme shall invest in both futures and options contracts of underlying assets.

REITs & InvITs: Investment in REITs or InvITs will be made based on the various factors such as liquidity, sector outlook and returns expectations.

The investment across asset class within the stated range will be based on opportunities available in the different asset classes & future outlook for the Markets

Investment in fixed income securities (wherever possible) will be mainly in investment grade listed /unlisted securities. In case of investment in debt instruments that are not rated, specific approval of the Board of AMC and Trustee Company will be taken.

Restrictions on Investments (as per seventh schedule of SEBI {Mutual Fund} Regulations 1996)

1. The scheme shall not invest more than 10 per cent of its NAV in the equity shares or equity related instruments of any company.
2. All investments by the scheme in equity shares and equity related instruments shall only be made provided such securities are listed or to be listed.
3. The Mutual Fund under all its scheme(s) shall not own more than ten percent of any company's paid up capital carrying voting rights.
4. A mutual fund scheme shall not invest more than 10% of its NAV in debt instruments comprising money market instruments and non-money market instruments issued by a single issuer which are rated not below investment grade by a credit rating agency authorized to carry out such activity under the Act. Such investment limit may be extended to 12% of the NAV of the scheme with the prior approval of the Board of Trustees and the Board of directors of the asset management company:

   Provided that such limit shall not be applicable for investments in government securities, treasury bills and Tri Party Repo on Government Securities or treasury bills.

   Provided further that investment within such limit can be made in mortgaged backed securitized debts which are rated not below investment grade by a credit rating agency registered with the Board.

   A mutual fund scheme shall not invest more than:

   a. 10% of its NAV in debt and money market securities rated AAA; or

   b. 8% of its NAV in debt and money market securities rated AA; or

   c. 6% of its NAV in debt and money market securities rated A and below.

   issued by a single issuer.

   The above investment limits may be extended by up to 2% of the NAV of the scheme with prior approval of the Board of Trustees and Board of Directors of the AMC, subject to compliance with the overall 12% limit.

   Note:

   i. The long-term rating of issuers shall be considered for the money market instruments. However, if there is no long-term rating available for the same issuer, then based on credit rating mapping of CRAs between short term and long-term ratings, the most conservative long-term rating shall be taken for a given short term rating.

   ii. Exposure to government money market instruments such as TREPS on G-Sec/ T-bills shall be treated as exposure to government securities.

4A. A mutual fund scheme shall not invest in unlisted debt instruments including commercial papers, except Government Securities and other money market instruments: Provided that Mutual Fund Schemes may invest in unlisted non-convertible debentures up to a maximum of 10% of the debt portfolio of the scheme subject to such conditions as may be specified by the SEBI from time to time:

   Provided further that mutual fund schemes shall comply with the norms under this clause within the time and in the manner as may be specified by the SEBI:

   Provided further that the norms for investments by mutual fund schemes in unrated debt instruments shall be specified by the SEBI from time to time.

DESPATCH OF REDEMPTION CHEQUE

The redemption or repurchase proceeds of the Scheme will be dispatched to the unit holders within 3 business/working days from the date of acceptance of redemption or repurchase request. In case of failure to despatch redemption proceeds within 3 business/working days, the AMC shall be liable to pay interest to the Unit Holders at such rate as may be specified by SEBI for the period of such delay (presently @ 15% per annum).

In accordance to SEBI circular no. SEBI/HO/IMD/IMD-I DOF2/P/CIR/2022/161 dated November 25, 2022 and AMFI circular no. AMFI/ 35P/ MEMCOR/ 74 / 2022-23 dated January 16, 2023, in exceptional situations mentioned below, the scheme shall be allowed additional timelines for transfer of redemption or repurchase proceeds to the unitholder:

Exceptional Situations	Additional Timelines Allowed
Payment of redemption proceeds through physical instruments (cheque / DD) where electronic fund transfer is not possible (such as old / non-Core Banking account / IFSC non-available records / IMPS failed records for reasons like name mismatch*, technical error / Investor Bank not participating in Electronic Fund transfers or failure of electronic credit for any reason which are at the bank's end. * Name mismatch typically occurs where the bank account is held jointly, but the 1st holder in MF Folio may not be first holder in the bank account or the investor's name in MF folio and his/her bank account may not be exactly identical e.g., MF folio is held by A+B, but the bank account is in the name of B +A; OR the name as per bank a/c & MF folio are recorded a bit differently e.g., (i) Given Name + Middle Name + Surname (ii) Given Name + Surname (iii) Surname + Given Name etc. Note: When payment is made through cheque / DD, the investor's bank account details registered with the RTA shall be printed on the cheque/DD, so that the amount is paid only through the investor's bank account to mitigate the risk of fraudulent encashment.	Additional 2 working days

Exceptional Situations	Additional Timelines Allowed
Redemption in case of funds where payout schedule of underlying instruments/ funds is different e.g., Domestic Fund of Funds, Overseas funds, Overseas FOF scheme, wherein the redemption proceeds can be paid after 1 day of payout schedule	Additional 1 working day after receiving proceeds from underlying instruments/ schemes for electronic payouts. {For physical payouts, i.e., issuance and dispatch of cheque/ DD, additional days as per (i) above would also be allowed, after receiving proceeds from underlying instruments/ schemes}. For example, in case of Domestic FoFs, where funds are received on T+3 days, timeline applicable would be – a) T+4 days for Electronic payment; and b) T+6 days physical payout.
On such days, where it is a bank holiday in some or all the states, but a business day for the stock exchanges.	Additional 1 working day following the bank holiday(s) in the State where the investor has bank account.
Exceptional circumstances such a sudden declaration of a business day as a holiday (as it happened on the day the famous singer Lata Mangeshkar passed away) or as a non-business day due to any unexpected reason / Force Majeure events.	In all such exceptional situations, the timelines prescribed in SEBI circular dated November 25, 2022 shall be counted from the date the situation becomes normal.
In all such cases where a request for Change of Bank account has been received just prior to (upto 10 days prior) OR simultaneously with redemption request.	In all such cases, the AMCs / RTAs can make the redemption payment after the cooling off period of 10 days from the date of receipt of COBM. The redemption transaction shall be processed as per the applicable NAV on the basis time stamp. The credit may either be given in the existing bank account or the new bank account post due diligence within 1 working day after cooling off period.
Need for additional due diligence in instances such as Transmission reported in one fund, but not in the current fund, proceedings by Income Tax authorities, Folio under lock/bank lien etc.	Additional 3 working days

INCOME DISTRIBUTION CUM CAPITAL WITHDRAWAL POLICY

Growth Option:

The income / profits received / earned would be accumulated by the Fund as capital accretion, aimed at achieving medium to long term and also short term capital growth and reflected in the NAV.

Payout of Income Distribution cum capital withdrawal option Option:

The profits received / earned and so retained and reinvested may be distributed as income at appropriate rates (after providing for all relevant ongoing expenses, etc.) and at appropriate intervals as may be decided by the AMC and/or Trustee Company. It will be distributed to the unitholders who hold the units on the record date of declaration of the Income.

Please note that the income distribution i. e income distribution and its frequency is subject to availability of distributable surplus and at the discretion of the trustees

The Fund reserves a right to modify the periodicity and manner of payout of such income distribution as they deem fit without giving any further notice to unitholders.

The Fund does not assure any targeted annual return / income nor any capitalisation ratio. Accumulation of earnings and / or capitalisation of bonus units and the consequent determination of NAV, may be suspended temporarily or indefinitely under any of the circumstances as stated in the clause "Suspension of Ongoing Sale, Repurchase or Switch out of Units".

Reinvestment of Income Distribution cum capital withdrawal option :

Unitholders under this option also have the facility of reinvestment of the income distribution so declared, if so desired. The income declared would be reinvested in the scheme on the immediately following ex-dividend date.

Transfer of Income Distribution cum capital withdrawal plan : Under this facility investor can opt for reinvestment of divided into any other scheme of Tata Mutual Fund. This facility is not available to those investors who have opted for IDCW- pay-out facility Under this facility, the net income distribution amount (i.e. net of statutory levy/taxes if any) will be automatically invested on the ex-dividend date into other scheme of Tata Mutual Fund as specified by the investor at the applicable NAV of that scheme and accordingly equivalent units will be allotted in lieu of income distribution, subject to the terms and conditions of the schemes. No entry Load or exit load will be levied on the units issued in lieu of income distribution. AMC reserves the right to modify or withdraw this facility without prior notice.

In case pay-out option is not mentioned than income distribution amount shall be compulsorily reinvested in the same scheme/option at applicable ex-dividend NAV.

Compulsory Reinvestment of Income Distribution cum capital withdrawal option

In order to reduce the expenses of the scheme and also for the convenience of the investors, in case of income distribution cum capital withdrawal (IDCW) payout amount is Rs 100/- or less, then the same shall be compulsorily reinvested in the same sub- option at ex-dividend NAV for unitholders of non-electronic mode. Where the option to payout of IDCW is available in electronic mode, the IDCW amount shall be paid to the Unit holders.

The Fund reserves a right to modify the periodicity & manner of pay-out of such income distribution as they deem fit without giving any prior notice to Unitholders.

The transaction charge shall be subject to the following: **1.** There shall be no transaction charges on direct investments.**2**. For existing investors in a Mutual Fund, the distributor may be paid Rs.100/- as transaction charge per subscription of Rs.10,000/- and above.**3.** For first time investor in Mutual Funds, the distributor may be paid Rs.150/- as transaction charge for subscription of Rs.10,000/- and above**. 4**.The transaction charge shall be deducted by the AMC from the subscription amount and paid to the distributor and the balance amount shall be invested.**5.** The statement of account shall clearly state that the net investment as gross subscription less transaction charge and give the number of units allotted against the net investment.**6.** There shall be no transaction charge on subscription below Rs. 10,000/- **7.** In case of SIPs, the transaction charge shall be applicable only if the total commitment through SIPs amounts to Rs. 10,000/- and above. In such cases the transaction charge shall be recovered in 3 installments. **8.** There shall be no transaction charge on transactions other than purchases/ subscriptions relating to fresh/additional purchase.

The transaction charges would be deducted only in respect of those transactions where the concern distributor has opted for opt in for levying transaction charge. In case distributor has chosen 'Opt Out' of charging the transaction charge, no transaction charge would be deducted from transactions registered.

It may further be noted that distributors shall have also the option to either opt in or opt out of levying transaction charge based on type of the product.

SEBI vide Circular dated Sept 13, 2012 has directed mutual funds to capture the unique identity number (EUIN) of the employee/sales person of the distributor interacting with the investor for the sale of mutual funds products in addition to the valid AMFI registration number (ARN) code of the distributor, ARN code of the sub broker. In the interest of the investors, it is urged to ensure that the box/space provided for EUIN number, ARN code for distributor and ARN code of the sub broker in the application form to be properly filed up. It is out-most important to provide the EUIN number particularly in advisory transactions, which will assist in tackling the problem of mis-selling even if the employee/relationship manager/sales person on whose advice the transaction was executed leaves the employment of the distributor or his/her sub broker.

TAX TREATMENT FOR INVESTOR OF INVESTMENTS IN MUTUAL FUNDS

Taxation

The information is provided for general information only. However, in view of the individual nature of the implications, each investor is advised to consult his or her own tax advisors with respect to the specific amount of tax and other implications arising out of his or her participation in the Scheme.

The Finance Act, 2020 abolished income distribution tax and instead introduced taxing of income from mutual fund units in the hands of the unit holders.

Type of Investor	Withholding tax rate
Resident***	10%*
NRI	20%**

* Tax not deductible if dividend income in respect of units of a mutual fund is below Rs. 5,000 in a financial year.

** The base tax is to be further increased by surcharge at the rate of:

- 37% on base tax where total income exceeds Rs. 5 crore;
- 25% where total income exceeds Rs. 2 crore but does not exceed Rs. 5 crore;
- 15% where total income exceeds Rs. 1 crore but does not exceed Rs. 2 crore; and
- 10% where total income exceeds Rs. 50 lakhs but does not exceed Rs. 1 crore

Further, "Health and Education Cess" is to be levied at 4% on aggregate of base tax and surcharge.

*** As per section 139AA of the Income tax Act, 1961 ('the Act') read with rule 114AAA of the Income-tax Rules, 1962, in the case of a resident person, whose PAN has become inoperative due to PAN – Aadhaar not being linked on or before 31 March 2023, it shall be deemed that he has not furnished the PAN and tax could be withheld at a higher rate of 20% as per section 206AA of the Act. For linking PAN with Aadhaar after 31 March 2022, fees Rs. 500 till 30 June 2022 and Rs. 1,000 till 31 March 2023 has been prescribed.

Investor may write to AMC for availing facility of receiving the latest NAVs through SMS.

Illustration of Calculation of Sale & Repurchase Price:

Assumed NAV Rs. 11.00 per unit Entry Load: NIL

Exit Load 1%

Sale Price = NAV + (Entry Load (%) * NAV) Sale Price = 11 + (0% * 11)

Sale Price = 11 + 0 Sale Price = Rs. 11/- Repurchase Price

Repurchase Price = NAV – (exit load (%) * NAV) Repurchase Price = 11 – (1%*11)

Repurchase Price = 11 – 0.11 Repurchase Price = Rs.10.89

In the event NAV cannot be calculated and / or published, such as because of the suspension of RBI Clearing, Bank strikes, during the existence of a state of emergency and / or a breakdown in communications, the Trustees may temporarily suspend determination and / or publication of the NAV of the Units.

While determining the price of the units, the fund will ensure that the repurchase price is not lower than 95 per cent of the Net Asset Value.

UNITHOLDERS' INFORMATION

Account Statement: On acceptance of application for financial transaction, a confirmation specifying the number of Units allotted/redeemed will be sent by way of e-mail and/or SMS to the applicant's registered e-mail address and/ or mobile number within five business days from the date of transaction.

Tata Mutual Fund shall send first account statement for a new folio separately with all details registered in the folio by way of an e-mail/and/or SMS to the investor's registered address/email address/registered mobile number not later than five business days from the date of subscription or by way of physical statement not later than five business days from the date of receipt of request from the unitholder.

Tata Mutual Fund will send the Consolidated Account Statement (CAS) to investors as follows:

1. A single Consolidated Account Statement (CAS) on basis of PAN (PAN of the first holder & pattern of holding, in case of multiple holding) will be dispatched to unitholders having Mutual Fund investments & holding Demat accounts by Depositories as per the specified timeline specified by board at the end of the month in which transaction (the word 'transaction' shall include all financial transactions in demat accounts/Mutual Fund folios of the investor) takes place.
2. The CAS will not be received by the investors for the folio(s) not updated with PAN details. The Unit holders are therefore requested to ensure that the folio(s) are updated with their PAN. Such investors will get monthly account statement from Tata Mutual Fund in respect of transactions carried out in the schemes of Tata Mutual Fund during the month on or within fifteenth day of the succeeding month.
3. In other cases i.e. where unitholders having no Demat account & only MF units holding, Tata Mutual Fund shall continue to send the CAS as is being send on or within fifteenth day of the succeeding month in which financial transaction takes place.
4. In case statements are presently being dispatched by e-mail either by the Fund or the Depository then CAS will be sent through email. However the Unitholders have an option to receive CAS in physical form at the address registered in the Depository system.
5. The dispatch of CAS by Depositories to Unitholders would constitute compliance by Tata Asset Management Ltd / the Fund with the requirements under Regulation 36(4) of SEBI (Mutual Funds) Regulations 1996.
6. Each CAS issued to the investors shall also provide the total purchase value / cost of investment in each scheme.
7. In case if no transaction has taken place in a folio during the period of six months ended September 30 and March 31, the CAS detailing the holdings across all schemes of all mutual funds, shall be emailed on half yearly basis, as per the specified timeline specified by board of succeeding month, unless a specific request is made to receive the same in physical form.
8. Half-yearly CAS shall be issued to all Mutual Fund investors, excluding those investors who do not have any holdings in MF schemes and where no commission against their investment has been paid to distributors, during the concerned half-year period on or within twenty first day of the succeeding month. Further, CAS issued for the half-year(September/ March) shall also provide:

a. The amount of actual commission paid by Tata AMC/Mutual Fund to distributors (in absolute terms) during the half-year period against the concerned investor's total investments in each mutual fund scheme. The term "commission" here refers to all direct monetary payments and other payments made in the form of gifts / rewards, trips, event sponsorships etc. by Tata AMC/MF to distributors. Further, a mention may be made in such CAS indicating that the commission disclosed is gross commission and does not exclude costs incurred by distributors such as Goods & Services Tax (wherever applicable, as per existing rates), operating expenses, etc.

b. The scheme's average Total Expense Ratio (in percentage terms) along with the break up between Investment and Advisory fees, Commission paid to the distributor and Other expenses for the period for each scheme's applicable plan (regular or direct or both) where the concerned investor has actually invested in

Official Points of Acceptance of Transaction through MF utility: Tata Mutual Fund has entered into an agreement with MF Utilities India Private Limited ("MFUI"), a "Category II -Registrar to an Issue" under SEBI (Registrars to an Issue and Share Transfer Agents) Regulations, 1993, for usage of MF Utility ("MFU") - a shared services initiative of various asset management companies, which acts as a transaction aggregator for transacting in multiple schemes of various mutual funds with a single form and a single payment instrument. Accordingly, all the authorized Point of Sales (POS) and website/mobile application of MFUI (available currently and also updated from time to time) shall be eligible to be considered as 'official points of acceptance' for all financial and non-financial transactions in the schemes of Tata Mutual Fund either physically or electronically. The list of POS of MFUI is published on the website of MFUI at www.mfuindia.com.

Applicability of NAV shall be based on time stamping as evidenced by confirmation slip given by POS of MFUI and also the realization of funds in the Bank account of Tata Mutual Fund (and NOT the time of realization of funds in the Bank account of MFUI) within the applicable cut-off timing. The Uniform Cut -off time as prescribed by SEBI and mentioned in the SID / KIM shall be applicable for applications received through such facilities.

Investors are requested to note that MFUI will allot a Common Account Number ("CAN") i.e. a single reference number for all investments in the mutual fund industry for transacting in multiple schemes of various mutual funds through MFU and to map existing folios, if any. Investors can create a CAN by submitting the CAN Registration Form and necessary documents at the POS. The AMC and/ or its Registrar and Transfer Agent shall provide necessary details to MFUI as may be needed for providing the required services to investors/distributors through MFU. Investors are requested to visit the website of MFUI i.e. www.mfuindia.com to download the relevant forms.

For any queries or clarifications related to MFU, please contact the Customer Care of MFUI on 1800-266-1415 (during the business hours on all days except Sunday and public holidays) or send an email to clientservices@mfuindia.com.

Pursuant to Association of Mutual Funds in India (AMFI) Best Practices Guidelines Circular No. 48/2014-15 dated June 24, 2014 on the process for dealing with applications where the scheme name in the Application Form / Transaction Slip & payment instrument differs has been standardized.

In case of fresh/additional purchases, if the name of a particular Scheme on the application form/transaction slip differs from the name of the scheme on the Payment instrument, the application will be processed & units allotted at applicable NAV of the scheme mentioned in the application form / transaction slip duly signed by investor(s).

Tata Asset Management Pvt Ltd. (AMC) reserves the right to call for other additional documents as may be required, for processing such transactions. The AMC also reserves the right to reject such transactions.

The AMC thereafter shall not be responsible for any loss suffered by the investor due to the discrepancy in the scheme name mentioned in the application form/ transaction slip and payment instrument.

Unaudited Financial Results: Tata Mutual Fund/ Tata Asset Management Pvt Ltd shall within one month from the close of each half year, that is on 31st March & on 30th September, host a soft copy of its unaudited financial results on its website.

Tata Mutual Fund / Tata Asset Management Pvt Ltd shall publish an advertisement disclosing the hosting of such financial results on their website, in atleast one English daily newspaper having nationwide circulation & in a newspaper having wide circulation published in the language of the region where the Head Office of the fund is situated in the format specified in Twelfth Schedule of SEBI (Mutual Funds) Regulations 1996.

Segregated Portfolio:

In case of credit event at issuer level and to deal with liquidity risk, the scheme may create segregated portfolio of debt and money market instruments in compliance with the SEBi circular SEBI/HO/IMD/DF2/CIR/P/2018/160 dated December 28,2018.

Creation of segregated portfolio shall be subject to guidelines specified by SEBI from time to time and includes the following:

1) Segregated portfolio may be created, in case of a credit event at issuer level i.e. downgrade in credit rating by a SEBI registered Credit Rating Agency (CRA), as under:

α) Downgrade of a debt or money market instrument to 'below investment grade', or

β) Subsequent downgrades of the said instruments from 'below investment grade', or

χ) Similar such downgrades of a loan rating

2) Creation of segregated portfolio is optional and is at the discretion of the AMC.

3) In case of unrated debt and money market instruments by the scheme of an issuer that does not have any outstanding rated debt or money market instruments, segregated portfolio may be created only in case of actual default of either the interest or principal amount. In case of default of unrated debt or money market instruments of an issuer, Tata Asset Management Pvt Ltd(AMC) will inform AMFI immediately about the actual default by the issuer. Pursuant to dissemination of information by AMFI about actual default, AMC may segregate the portfolio of debt and money market instruments.

Process for Creation of Segregated Portfolio

1) On the date of credit event, Tata Asset Management Pvt Ltd(AMC) shall decide on creation of segregated portfolio. Once AMC decides to segregate portfolio, it should:

α) seek approval of trustees prior to creation of the segregated portfolio.

β) immediately issue a press release disclosing its intention to segregate such debt and money market instrument and its impact on the investors. The mutual fund should also disclose that the segregation shall be subject to trustee approval. Additionally, the said press release shall be prominently disclosed on the website of the AMC.

χ) ensure that till the time the trustee approval is received, which in no case shall exceed 1 business day from the day of credit event, the subscription and redemption in the scheme shall be suspended for processing with respect to creation of units and payment on redemptions.

2) Once trustee approval is received by the AMC:

α) Segregated portfolio will be effective from the day of credit event

β) AMC shall issue a press release immediately with all relevant information pertaining to the segregated portfolio. The said information shall also be submitted to SEBI.

χ) An e-mail or SMS should be sent to all unit holders of the concerned scheme.

δ) The NAV of both segregated and main portfolios shall be disclosed from the day of the credit event.

ε) All existing investors in the scheme as on the day of the credit event shall be allotted equal number of units in the segregated portfolio as held in the main portfolio.

φ) No redemption and subscription will be allowed in the segregated portfolio. However, upon recovery of any money from segregated portfolio, it should be immediately distributed to the investors in proportion to their holding in the segregated portfolio.

γ) AMC should enable listing of units of segregated portfolio on the recognized stock exchange within 10 working days of creation of segregated portfolio and also enable transfer of such units on receipt of transfer requests

η) Investors redeeming their units will get redemption proceeds based on the NAV of main portfolio and will continue to hold the units of segregated portfolio.

3) If the trustees do not approve the proposal to segregate portfolio, AMC should issue a press release immediately informing investors of the same.

4) In case trustees do not approve the proposal of segregated portfolio, subscription and redemption applications will be processed based on the NAV of total portfolio

TER for the Segregated Portfolio

1) AMC shall not charge investment and advisory fees on the segregated portfolio. However, TER (excluding the investment and advisory fees) can be charged, on a pro-rata basis only upon recovery of the investments in segregated portfolio.

2) The TER so levied shall not exceed the simple average of such expenses (excluding the investment and advisory fees) charged on daily basis on the main portfolio (in % terms) during the period for which the segregated portfolio was in existence.in addition to the TER mentioned above, the legal charges related to recovery of the investments of the segregated portfolio may be charged to the segregated portfolio as mentioned below.

3) The legal charges related to recovery of the investments of the segregated portfolio may be charged to the segregated portfolio in proportion to the amount of recovery. However, the same shall be within the maximum TER limit as applicable to the main portfolio. The legal charges in excess of the TER limits, if any, shall be borne by the AMC.

4) The costs related to segregated portfolio shall in no case be charged to the main portfolio.

Explanations:

1) The term 'segregated portfolio' shall mean a portfolio, comprising of debt or money market instrument affected by a credit event, that has been segregated in a mutual fund scheme.

2) The term 'main portfolio' shall mean the scheme portfolio excluding the segregated portfolio.

3) The term 'total portfolio' shall mean the scheme portfolio including the securities affected by the credit event.

Monitoring by Trustees:

In order to ensure timely recovery of investments of the segregated portfolio, trustees shall ensure that:

- The AMC puts in sincere efforts to recover the investments of the segregated portfolio.
- Upon recovery of money, whether partial or full, it shall be immediately distributed to the investors in proportion to their holding in the segregated portfolio. Any recovery of amount of the security in the segregated portfolio even after the write off shall be distributed to the investors of the segregated portfolio.
- An Action Taken Report (ATR) on the efforts made by the AMC to recover the investments of the segregated portfolio shall be placed in every Trustee meeting till the investments are fully recovered/written-off.
- Trustees will monitor the compliance of the SEBI Circular in respect of creation of segregated portfolio and disclosure in this respect shall be made in Half-Yearly Trustee reports filed with SEBI.

In order to avoid mis-use of segregated portfolio, Trustees shall ensure to have a mechanism in place to negatively impact the performance of Fund Managers, Chief Investment Officers (CIOs), etc. involved in the investment process of securities under the segregated portfolio. The new mechanism shall mirror the existing mechanism for performance incentives of the AMC, including the claw back of such amount to the segregated portfolio of the Scheme.

Disclosures:

1) A Statement of Holding indicating the units held by the investors in the segregated portfolio along with the NAV of both segregated portfolio and main portfolio as on the day of credit event shall be communicated within 5 working days of creation of the segregated portfolio**.**

2) AMC will make necessary disclosures as mandated by SEBI, in statement of account, monthly / half yearly portfolio statements, Key Information Memorandum (KIM), SID, Scheme Advertisements, Scheme Performance data, AMC Website and at other places as may be specified.

3) The NAV of the segregated portfolio shall be declared on daily basis.

4) The information regarding number of segregated portfolios created in the scheme will appear predominantly under the name of the scheme at all relevant places such as SID, KIM cum application form, advertisement, AMC & AMFI website.

5) The scheme performance required to be disclosed in case of segregated portfolio will include the impact of creation of segregated portfolio. The scheme performance will clearly reflect the fall in NAV to the extent of the portfolio segregated due to the credit event and said NAV and any recovery will also be disclosed as footnote to the scheme performance.

6) The above disclosures (No 4 & 5) will be carried out for a period of at least 3 years after the investments in segregated portfolio are fully recovered/ written-off.

7) Investors will be duly informed about the recovery proceedings and Tata Asset Management Pvt Ltd may provide status update at the time of recovery and also at the time of writing -off of the segregated securities.

Annual Report: Annual report or Abridged Summary, in the format prescribed by SEBI, will be hosted on AMC's website www.tatamutualfund. com and on the website of AMFI www.amfiindia.com. Compliance under Foreign Account Tax Compliance Act (FATCA) regulations:

United States of America (US) has introduced chapter no. 4 in the US Internal Revenue Code as a part of the Hiring Incentives to Restore Employment (HIRE) Act, which was enacted by the US legislature to create employment opportunities in US. The HIRE Act includes Foreign Account Tax Compliance Act (FATCA), which now forms a part of the US-IR Code. The regulations for FATCA have undergone revision since 2010 and the final regulations make the FATCA provisions effective from July 1, 2014.

The objective of FATCA is to detect "US Persons", who evade US taxes by using financial account maintained outside US. The US persons are defined as those who have either US citizenship or US residency. The FATCA stipulates reporting on -

i. US taxpayers about certain foreign financial accounts and offshore assets.

ii. Foreign Financial Institutions (FFIs) about financial accounts with them of US taxpayers or foreign entities in which US taxpayers hold substantial ownership interest.

FFIs (including mutual funds in India) are required to periodically report information on accounts of US persons, who maintain balances above a threshold. In the event of a default in the reporting of information on accounts of US taxpayers, a withholding of 30% of the payment made from US sources will be imposed on the recalcitrant account holders and non-participating Financial Institutions. SEBI vide its circular no. CIR/ MIRSD/2/2014 dated June 30, 2014, has advised that Government of India and US Government have reached an agreement in substance on the terms of an Inter-Governmental Agreement (IGA) to implement FATCA and India is now treated as having an IGA in effect from April 11, 2014. Tata Asset Management Private limited (TAMPL) is classified as a Foreign Financial Institution (FFI) under the FATCA provisions and in accordance therewith, the AMC would be required to comply with the rules & regulations of FATCA, from time to time.

In order to ensure compliance with FATCA and other rules / directions / notifications as may be issued by Government of India or other regulatory authority, Mutual Funds are required to institute a process to identify US Person investors and report the same.

Applicants are required to refer to the "FATCA information" section in the application and mandatorily fill/sign off on the same. Applications without this information / declaration being filled/signed off will be deemed as incomplete and are liable to be rejected. Investors are requested to provide information required by the regulatory authority and may undergo changes on receipt of communication / guidelines from Government of India or AMFI or SEBI or any other regulatory authority.

With the change in guidelines, investors may be called for additional information required by the law. Investors are requested to keep Mutual Fund updated with change in information already submitted by them with Mutual Fund.

Common Reporting Standard (CRS)

On similar lines of FATCA, the Organization of Economic Development (OECD), along with the G 20 countries, of which India is a member, has released a 'Standard for Automatic Exchange of Financial Account Information in Tax matters'. In order to combat the problem of offshore tax evasion and avoidance and stashing of unaccounted money abroad, the G 20 & OECD countries have together developed a common reporting standard (CRS) on automatic exchange of information (AEOI). On June 3,2015 India has joined the Multilateral Competent Authority Agreement (MCAA) on AEOI. The CRS on AEOI requires the financial institutions of the 'source' jurisdiction to collect and report information to their tax authorities about account holders 'resident' in other countries. The information to be exchanged relates not only to individuals, but also to shell companies and trusts having beneficial ownership or interest in the 'resident' countries.

In view of India's commitment to implement the CRS on AEOI and also the IGA with USA and with a view to provide information to other countries necessary legislative changes has already been made in Finance Act & by inserting Rules 114F to 114H and Form 61B to provide a legal basis for the Reporting Financial Institutions (RFIs) for maintaining and reporting information about the reportable accounts.

Applicants are required to refer to the "FATCA/CRS information" section in the application and mandatorily fill/sign off on the same. Applications without this information / declaration being filled/signed off will be deemed as incomplete and are liable to be rejected. Investors are requested to note that the contents of the information to be provided/ declaration in the application form may undergo a change on receipt of communication / guidelines from Government of India or AMFI or SEBI or any other regulatory authority.

With the change in guidelines, investors may be called for additional information required by the law. Investors are requested to keep Mutual Fund updated with change in information already submitted by them with Mutual Fund. FATCA provisions are relevant not only at on-boarding stage of investor(s)/unit holder(s) but also throughout the life cycle of investment with the Fund/the AMC. In view of this, Investors should immediately intimate to the Fund/the AMC, in case of any change in their status with respect to FATCA/ CRS related declaration provided by them previously.

Investors(s)/Unit holder(s) should consult their own tax advisors to understand the implications of FATCA/CRS provisions /requirements.

Applicants who cannot Invest: · A person who falls within the definition of the term "U.S. Person" under the US Securities Act of 1933, and corporations or other entities organised under the laws of the U.S. · A person who is resident of Canada · OCB (Overseas Corporate Bodies) as defined under Income Tax Act, 1961 and under Foreign Exchange Management Act, 1999.

AMC will not onboard Foreign Portfolio Investors (FPIs) in the scheme, as this scheme will invest in ETCDs. However, in case FPIs are permitted by Regulators to participate in ETCDs , the scheme may onboard FPIs in future.

The Fund reserves the right to include / exclude new / existing categories of investors to invest in the scheme from time to time, subject to SEBI Regulations and other than prevailing statutory regulations, if any.

Appointment of MF Central as Official Point of Acceptance

Based on the SEBI circular no SEBI/HO/IMD/IMD- II DOF3/P/CIR/2021/604 dated July 26, 2021, to comply with the requirements of RTA inter-operable Platform for enhancing investors' experience in Mutual Fund transactions / service requests, the QRTA's, Kfin Technologies Private Limited and Computer Age Management Services Limited (CAMS) have jointly developed MFCentral - A digital platform for Mutual Fund investors.

MFCentral is created with an intent to be a one stop portal / mobile app for all Mutual fund investments and service-related needs that significantly reduces the need for submission of physical documents by enabling various digital / physical services to Mutual fund investors across fund houses subject to applicable T&Cs of the Platform. MFCentral will be enabling various features and services in a phased manner. MFCentral may be accessed using https://mfcentral.com/ and on the Mobile App.

With a view to comply with all provisions of the aforesaid circular and to increase digital penetration of Mutual funds, Tata Mutual Fund designates MFCentral as its Official point of acceptance (DISC - Designated Investor Service Centre) w.e.f. 23rd September 2021.

Any registered user of MFCentral, requiring submission of physical document as per the requirements of MFCentral and Tata Asset Management Pvt Ltd, may do so at any of the designated Investor Service centres or collection centres of Kfintech or CAMS.

How to apply:

KYC Procedure: SEBI vide Circular no. CIR/MIRSD/66/2016 dated July 21, 2016 and circular no. CIR/MIRSD/120/2016 dated November 10, 2016 has intimated about the operationalization of Central KYC Records Registry ("CKYCR"). AMFI vide Best Practice Guideline circular no. 135/BP/68/2016-17 dated December

22, 2016 has prescribed guidelines including Central KYC ("CKYC") forms for implementing the CKYC norms.

In this regard, any individual customer who has not done KYC under the KYC Registration Agency (KRA) regime shall fill the new CKYC form.

If such new customer uses the old KRA KYC form, such customer would either fill the new CKYC or provide additional / missing information in the Supplementary CKYC form.

Non-Individual Investors to use the existing KYC forms for KYC process. Application forms complete in all respects, accompanied by or cheque / draft are to be submitted to any of the Authorised Investor Service Centres, as stated in the scheme information document or as may be decided by AMC from time to time. All cheques and bank drafts accompanying the application form should contain the application form number and the name of the applicant on its reverse. For additional instructions, investors are requested to follow the application form carefully. All cheques/ drafts by the applicants should be made out in favour of "The name of the scheme" and crossed "A/c Payee and Not Negotiable".

Investors subscribing under Direct Plan of a Scheme will have to indicate "Direct Plan" against the scheme name in the application form e.g., "Scheme Name – Direct Plan". Investors should also indicate "Direct" in the ARN column of the application form.

For Existing Investments: Investors wishing to transfer their accumulated unit balance held under Existing Plan (through lumpsum / systematic investments made with or without Distributor code) to Direct Plan will have to switch / redeem their investments (subject to applicable Exit Load, if any) & apply under Direct Plan. Investors who have invested without Distributor code & have opted for Dividend Reinvestment facility under Existing Plan may note that the dividend will continue to be reinvested in the Existing Plan only.

Transactions through online facilities / electronic modes: The time of transaction done through various online facilities / electronic modes offered by the AMC, for the purpose of determining the applicability of NAV, would be the time when the request for purchase / sale / switch of units is received in the servers of AMC/RTA. In case of transactions through online facilities /

electronic modes, the movement of funds from the investors' bank account to the Scheme's bank account may happen via the Intermediary / Aggregator service provider through a Nodal bank account and post reconciliation of fund. The process of movement of funds from the investors' bank account into the Scheme's Bank account in case of online transaction is governed by Reserve Bank of India (RBI)vide their circular Ref. RBI/2009-10/231 DPSS. CO.PD. No.1102/02.14.08/2009-10 dated 24th November, 2009. The process followed by the aggregator and the time lines within which the Funds are credited into the Scheme's bank account is within the time lines provided by RBI which is T+3 settlement cycle / business days, where T is the date of Transaction / day of intimation regarding completion of transaction. The nodal bank account as stated above is an internal account of the bank and such accounts are not maintained or operated by the intermediary / aggregator or by the Mutual Fund. While the movement of Funds out of the investors' Bank account may have happened on T day, however post reconciliation and as per statutory norms the allotment can happen only on availability of Funds for utilization by the AMC/MF and accordingly the transaction will processed as per the applicable NAV based on availability of funds for utilization. This lag may impact the applicability of NAV for transactions where NAV is to be applied, based on actual realization of funds by the Scheme. Under no circumstances will Tata Asset Management Private limited or its bankers or its service providers be liable for any lag / delay in realization of funds and consequent pricing of units. The AMC has the right to amend cut off timings subject to SEBI (MF) Regulations for the smooth & efficient functioning of the Scheme(s).

TRANSACTION THROUGH STOCK EXCHANGE PLATFORM

Tata Mutual Fund has signed an agreement with BSE & NSE for allowing transactions in the Scheme through stock exchange platform.

The schemes covered in this KIM are admitted on the order routing platform of Bombay Stock Exchange Limited ("BSE") and National Stock Exchange of India Limited ("NSE"). Under this facility investors can submit the application for subscription and redemption of units of the scheme though the Stock Exchange platform. The introduction of this facility is pursuant to guidelines issued by SEBI vide circular SEBI/IMD/CIR No.11/183204/2209 dated November 13, 2009 and the Stock Exchanges viz. BSE & NSE.

The following are the salient features of the new facility introduced for the benefit of investors:

1) This facility i.e., purchases (Lumpsum & SIP)/redemption of units will be available to both existing & new investors. Switching of units will not be permitted through stock exchange platform. 2) The investors will be eligible to purchase /redeem units of the aforesaid schemes. The list of eligible schemes is subject to change from time to time. 3) All trading members of BSE & NSE who are registered with AMFI as Mutual Fund Advisors & who have signed up with Tata Asset Management Pvt Ltd & also registered with BSE & NSE as Participants ("AMFI certified stock exchange brokers") will be eligible to offer this facility to investors. In order to facilitate transactions in mutual fund units through the stock exchange infrastructure, BSE has introduced BSE StAR MF Platform & NSE has introduced Mutual Fund Service System (MFSS). 4) The units of eligible Schemes are not listed on BSE & NSE & the same cannot be traded on the Stock Exchange like shares. The window for submission of application for purchase/ redemption of units on BSE & NSE will be available between 9 a.m. & 3 p.m. or such other timings as may be decided by the Stock Exchanges. 5) The eligible AMFI certified stock exchange brokers will be considered as Official Points of Acceptance (OPA) of Tata Mutual Fund as per SEBI circular No. SEBI/IMD/ CIR No/11/78450/06 dated October 11, 2006. 6) Investors have an option to subscribe/redeem units in physical or dematerialized form on BSE StAR & NSE MFSS MF system. In case of redemption request received through MFSS/ BSE StAR/DP residual units will continue to remain in the Registrar & Transfer Agents records & the residual units will be redeemed only after investor request to redeem. 7) The facility to purchase through SIP is available in demat form on both BSE StAR & NSE MFSS platform. 8) As clarified by SEBI vide its circular no. CIR/ IMD/DF/10/2010 dated August 18, 2010, restriction on transfer of units shall not be applicable to units held in dematerialized mode & thus the units are freely transferable. However, the restrictions on transfer of units of ELSS schemes during the lock in period shall continue to be applicable as per the ELSS guidelines. 9) Investors will be able to purchase/redeem units in eligible schemes in the following manner:

(i.) Purchase of Units:

a. **Physical Form (Available on NSE MFSS & BSE StAR MF)**

- The investor who chooses the physical mode is required to submit all requisite documents along with the purchase application (subject to applicable limits prescribed by BSE / NSE) to the AMFI certified stock exchange brokers. · The AMFI certified stock exchange broker shall verify the application for mandatory details & KYC compliance. · After completion of the verification, the purchase order will be entered in the Stock Exchange system & an order confirmation slip will be issued to investor. · The investor will transfer the funds to the AMFI certified stock exchange brokers. · Allotment details will be provided by the AMFI certified stock exchange brokers to the investor.

b. **Dematerialized Form (Available on NSE MFSS & BSE StAR MF)**

- The investors who intend to deal in depository mode are required to have a demat account with Central Depository Services (India) Ltd ("CDSL") / National Securities Depository Ltd. ("NSDL"). · The investor who chooses the depository mode is required to place an order for purchase of units (subject to applicable limits prescribed by BSE/ NSE) with the AMFI certified stock exchange brokers. · The investor should provide their depository account details to the AMFI certified stock exchange brokers. · The purchase order will be entered in the Stock Exchange system & an order confirmation slip will be issued to investor. · The investor will transfer the funds to the AMFI certified stock exchange brokers.

(ii.) Redemption of Units:

a. **Physical Form (Available on BSE StAR & NSE MFSS Platform)**

- The investor who chooses the physical mode is required to submit all requisite documents along with the redemption application (subject to applicable limits prescribed by BSE / NSE, if any) to the AMFI certified stock exchange brokers. There is no maximum cap on redemption request. · The redemption order will be entered in the Stock Exchange system & an order confirmation slip will be issued to investor. · In case of redemption request received through MFSS/BSE StAR/DP residual units will continue to remain in the Registrar & Transfer Agents records & the residual units will be redeemed only after investor request to redeem. · The redemption proceeds will be credited to the bank account of the investor, as per the bank account mandate recorded with Tata Mutual Fund & within the timelines as per SEBI regulations as applicable from time to time or it will be sent to the investor in the mode selected by the investor. · Redemption request may also be submitted to any of the Investor service centers. · In case investors desire to convert the physical units into dematerialized form, the dematerialized request will have to be submitted with the Registrar.

b. **Dematerialized Form (Available on NSE MFSS & BSE StAR MF)**

- The investors who intend to deal in depository mode are required to have a demat account with CDSL/ NSDL & units converted from physical mode to demat mode prior to placing of redemption order. · The investor who chooses the depository mode is required to place an order for redemption (subject to applicable limits prescribed by BSE/ NSE) with the AMFI certified stock exchange brokers. The investors should provide their Depository Participant with Depository Instruction Slip with relevant units to be credited to Clearing Corporation pool account. · The redemption order will be entered in the system & an order confirmation slip will be issued to investor. · Presently no limit is applicable for the redemption of units.
- In respect of investors having demat account & purchasing & redeeming units through stock brokers & clearing members, investors shall receive redemption amount (If units are redeemed) & units (if units are purchased) through broker/clearing member's pool account. The Asset Management Company/ Mutual Fund will pay proceeds to the broker/clearing member (in case of redemption) & broker/clearing member in turn to the respective investor & similarly units shall be credited by MF/AMC into broker/ clearing members' pool account (in case of purchase) & broker/clearing member in turn to the respective investor. It is to be noted that payment of redemption proceeds to the broker/clearing members by MF/AMC shall discharge MF/AMC of its obligation of payment to individual investor & in case of purchase o units, crediting units into broker/clearing member pool account shall discharge MF/AMC of its obligation to allot units to individual investor. Stock Exchanges & Depositories shall provide investor grievance handling mechanism to the extent they relate to disputes between their respective regulated entity & their client.

1) Applications for purchase/redemption of units which are incomplete/ invalid are liable to be rejected. 2) In case of non-financial requests/ applications such as change of address, change of bank details, etc. investors should approach Investor Service Centres (ISCs) of Tata Mutual Fund if units are held in physical mode & the respective Depository Participant(s) if units are held in demat mode. 3) An account statement will be issued by Tata Mutual Fund to investors who purchase/ redeem their units under this facility in physical mode. In case of investors who intend to deal in units in depository mode, a demat statement will be sent by Depository Participant showing the credit/debit of units to their account. 4) The applicability of NAV will be subject to guidelines issued by SEBI from time to time on Uniform cut-off timings for applicability of NAV of Mutual Fund Scheme(s)/Plan(s). 5) Investors will have to comply with Know Your Customer (KYC) norms as prescribed by BSE/ NSE/CDSL/ NSDL & Tata Mutual Fund to participate in this facility. 6) Investors should get in touch with Investor Service Centres (ISCs) of Tata Mutual Fund for further details. The Trustee reserves the right to change/modify the features of this facility at a later date.
