FUND OVERVIEW

The fund aims for capital appreciation by investing in stocks across market caps. The fund focuses on Companies that have high growth, sustainable business models (businesses that have long shelf life and relevance), low debt and market leadership. The primary reason a company becomes part of the portfolio is its "potential" rather than its market cap or size. "Potential" is the driving mantra of this go anywhere Fund.

WHY TATA FLEXI CAP FUND?

Actively managed Diversified Equity Fund

- Closely monitors macro-economic environment and other major industry drivers.
- Active allocations across different sectors and market cap segment.

Ideal for Investors looking for Diversified Portfolio

- Places high importance on fundamental strengths of the business and company.
- Portfolio of well Researched companies.
- Aim to be present in the right side of the market.

Diligent Risk Management

- Diversification across stocks/sectors.
- Liquidity of stocks play an important role in risk management.
- Regular monitoring of Exposure limits.
