Independent Auditor's Report

To the Members of Tata Asset Management Limited

Report on the Financial Statements

We have audited the accompanying financial statements of Tata Asset Management Limited (the "Company"), which comprise the Balance Sheet as at 31 March 2017, the Statement of Profit and Loss, the Cash Flow Statement for the year then ended, and a summary of the significant accounting policies and other explanatory information.

Management's responsibility for the financial statements

The Company's Board of Directors is responsible for the matters stated in Section 134(5) of the Companies Act, 2013 (the "Act") with respect to the preparation of these financial statements that give a true and fair view of the financial position, financial performance and cash flows of the Company in accordance with the accounting principles generally accepted in India, including the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We have taken into account the provisions of the Act, the accounting and auditing standards and matters which are required to be included in the audit report under the provisions of the Act and the Rules made thereunder.

We conducted our audit in accordance with the Standards on Auditing specified under Section 143(10) of the Act. Those Standards require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and the disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal financial control relevant to the Company's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances.

Independent Auditor's Report (Continued)

Tata Asset Management Limited

Auditor's responsibility (Continued)

An audit also includes evaluating the appropriateness of the accounting policies used and the reasonableness of the accounting estimates made by the Company's Directors, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the financial statements.

Opinion

In our opinion and to the best of our information and according to the explanations given to us, the aforesaid financial statements give the information required by the Act in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at 31 March 2017, and its profit and its cash flows for the year ended on that date.

Report on other legal and regulatory requirements

As required by the Companies (Auditor's Report) Order, 2016 (the "Order") issued by the Central Government of India in terms of sub-section (11) of section 143 of the Act, we give in the Annexure A, a statement on the matters specified in paragraphs 3 and 4 of the said Order, to the extent applicable to the Company.

As required by Section 143 (3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purpose of our audit;
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books;
- (c) The Balance Sheet, Statement of Profit and Loss, and Cash Flow Statement dealt with by this Report are in agreement with the books of account;
- (d) In our opinion, the aforesaid financial statements comply with the Accounting Standards specified under Section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014;
- (e) On the basis of the written representations received from the directors as on 31 March 2017 taken on record by the Board of Directors, none of the directors are disqualified as on 31 March 2017 from being appointed as a director in terms of Section 164 (2) of the Act;
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "Annexure B"; and

Independent Auditor's Report (*Continued*)
Tata Asset Management Limited

Report on other legal and regulatory requirements
(Continued)

- (g) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i) The Company does not have any pending litigations which would impact its financial position;
 - ii) The Company did not have any long-term contracts including derivative contract for which there were any material foreseeable losses; and
 - iii) There were no amounts which were required to be transferred to the Investor Education and Protection Fund by the Company.

Tata Asset Management Limited

“Annexure B” to the Independent Auditors’ Report

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 (“the Act”)

We have audited the internal financial controls over financial reporting of Tata Asset Management Limited (“the Company”) as of 31 March 2017 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management’s responsibility for internal financial controls

The Company’s management is responsible for establishing and maintaining internal financial controls based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India (‘ICAI’). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company’s policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditor’s responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls over Financial Reporting (the “Guidance Note”) and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor’s judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company’s internal financial controls system over financial reporting.

Tata Asset Management Limited

“Annexure B” to the Independent Auditors’ Report (Continued)

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorised acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31 March 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India.

Tata Asset Management Limited

Notes to the financial statements

for the year ended 31 March 2017

(Currency: Indian Rupees)

1 Background

Tata Asset Management Limited ('the Company') was incorporated on 15 March 1994. The Company's principal activity is to act as an investment manager to Tata Mutual Fund ('the Fund'), to provide portfolio management services ('PMS') to clients and advisory services. The Company is registered with Securities and Exchange Board of India ('SEBI') under SEBI (Mutual Fund) Regulations, 1996, SEBI (Portfolio Managers) Regulations, 1993 and SEBI (Alternative Investment Funds) Regulations, 2012. The Company manages the investment portfolio of the Fund and provides various administrative services to the Fund and Trustee Company as laid down in the Investment Management Agreement dated 9 May 1995 and amended from time to time.

2 Significant accounting policies

The accounting policies set out below have been applied consistently to the periods presented in these financial statements.

2.1 Basis of preparation of financial statements

These financial statements have been prepared and presented on the accrual basis of accounting and comply with the Accounting Standards specified under section 133 of the Companies Act, 2013 ('the Act'), read with Rule 7 of the Companies (Accounts) Rules, 2014, the relevant provisions of the Act and other accounting principles generally accepted in India, to the extent applicable.

2.2 Use of estimates

The preparation of the financial statements in conformity with generally accepted accounting principles ('Indian GAAP') requires management to make estimates and assumptions that affect the reported amount of assets, liabilities, revenues and expenses and disclosure of contingent liabilities on the date of the financial statements. The estimates and assumptions used in the accompanying financial statements are based upon management's evaluation of the relevant facts and circumstances as of the date of the financial statements. Actual results may differ from the estimates and assumptions used in preparing the accompanying financial statements. Any revision to accounting estimates is recognised prospectively in current and future periods.

2.3 Current and non-current classification

All assets and liabilities are classified into current and non-current.

Assets :

An asset is classified as current when it satisfies any of the following criteria :

- a it is expected to be realised in, or is intended for sale or consumption in, the company's normal operating cycle;
- b it is held primarily for the purpose of being traded;
- c it is expected to be realised within 12 months after the reporting date; or
- d it is cash or cash equivalent unless it is restricted from being exchanged or used to settle a liability for at least 12 months after the reporting date.

Current assets include the current portion of non-current financial assets. All other assets are classified as non-current.

Liabilities :

A liability is classified as current when it satisfies any of the following criteria :

- a it is expected to be settled in the company's normal operating cycle;
 - b it is held primarily for the purpose of being traded;
 - c it is due to be settled within 12 months after the reporting date; or
 - d the company does not have an unconditional right to defer settlement of the liability for at least 12 months after the reporting date.
- Terms of a liability that could, at the option of the counterparty, result in its settlement by the issue of equity instruments do not affect its classification.

Current liabilities include the current portion of non-current financial liabilities. All other liabilities are classified as non-current.

2 Significant accounting policies (Continued)

2.4 Property, plant and equipment

Property, plant and equipment are stated at cost of acquisition less accumulated depreciation. Cost includes all expenses incidental to the acquisition of the Property, plant and equipment and any attributable cost of bringing the asset to its working condition for its intended use.

Depreciation is provided on a written down value basis other than premises, intangibles assets and leasehold improvements. Premises are depreciated over its estimated useful life on a straight line basis. Intangible assets comprising of software purchased / developed and licensing costs are amortized on a straight line basis over the useful life of the software up to a maximum of five years commencing from the year in which such software is first ready for its intended use. Leasehold improvements are amortised over the primary period of lease on a straight line basis or useful life which ever is less.

As per the requirement of the Act, the Company has evaluated the useful lives of its property, plant and equipment and has computed depreciation according to the provisions of Schedule II of the Act. The useful life of the following assets are as follows :

Tangible assets	As per Companies Act
Premises	60 years
Furniture and fixtures	10 years
Vehicles	8 Years
Office equipments	5 Years
Office equipments - mobile	5 Years
Computers - servers	6 Years
Computers - end user devices	3 Years

Further as disclosed in the table below, the estimated useful life of certain property, plant and equipment of the Company is different from useful life prescribed in Schedule II of the Act.

Nature of property, plant and equipment	Management Estimate of Useful Life (in years)	Useful life as per the limits prescribed in Schedule II of the Act (in years)
Vehicles	6	8
Office equipments - mobile	3	5

For these class of assets, based on internal technical assessment, the management believes that the useful lives as given above best represent the period over which management expects to use these assets. Hence the useful lives for these assets is different from the useful lives as prescribed under Part C of Schedule II of the Act.

Assets individually costing Rupees Five Thousand or less are fully depreciated in the year of purchase or acquisition.

The Company provides pro-rata depreciation from the date the asset is ready for its intended use and in respect of assets sold, depreciation is provided upto the date of disposal.

2.5 Impairment of assets

The Company assesses at each balance sheet date whether there is any indication that an asset may be impaired. If any such indication exists, the Company estimates the recoverable amount of the asset. If such recoverable amount of the asset is less than its carrying amount, the carrying amount is reduced to its recoverable amount. The reduction is treated as an impairment loss and is recognised in the statement of profit and loss.

If at the balance sheet date, there is an indication that a previously assessed impairment loss no longer exists, the recoverable amount is reassessed and the asset is reflected at the recoverable amount subject to a maximum of depreciable historical cost.

2.6 Investments

Investments are classified as long-term or current based on intention of the management at the time of purchase. Long-term investments are carried at carrying cost less any diminution in value, which is other than temporary, determined separately for each individual investment.

Current investments are valued at the lower of cost or net realizable value. The comparison of cost and net realizable value is done separately in respect of each individual investment.

Purchase and sale of investments are recorded on trade date. Profit or loss on sale of investments is determined on the basis of average cost and is recognised on trade date.

2.7 Revenue recognition

Revenue recognition

Revenue is recognised when there is reasonable certainty of its ultimate realisation /collection.

Investment management fees

Investment management fees (net of service tax) is recognised on an accrual basis in accordance with the Investment Management Agreement and SEBI (Mutual Fund) Regulations, 1996, as amended from time to time based on daily assets under management of Tata Mutual Fund schemes.

Portfolio management fees (net of service tax)

Portfolio management fees are recognised on an accrual basis in accordance with Portfolio Management Agreement entered with respective clients.

Advisory fees

Advisory fees are recognised on accrual basis in accordance with the respective terms of contract with counterparties.

Other income

Interest income is accounted on a time proportion basis.

Dividend income is recognised when the right to receive dividend is established.

Rent income is recognised on accrual basis in accordance with the respective terms of contract with lessee.

2.8 Transactions in foreign currency

Foreign currency transactions are recorded at the rates of exchange prevailing on the date of the transaction. Exchange differences, if any arising out of foreign exchange transactions settled during the year are recognised in the statement of profit and loss.

Monetary assets and liabilities denominated in foreign currencies as at the balance sheet date are translated at the closing exchange rate on that date. The exchange differences, if any, are recognised in the statement of profit and loss and related assets and liabilities are accordingly restated in the balance sheet.

The translation of financial statements of the foreign subsidiaries from the local currency to the reporting currency of the Company is performed for balance sheet accounts using the exchange rate in effect at the balance sheet date and for revenue, expense and cash-flow items using an average exchange rate for the year and the resulting difference is presented as exchange fluctuation reserve included in 'Reserves and surplus'.

2.9 Employee benefits

Gratuity

The Company's gratuity scheme is a defined benefit plan. The Company's net obligation in respect of the gratuity benefit is calculated by estimating the amount of future benefit that the employees have earned in return for their service in the current and prior periods, that benefit is discounted to determine its present value, and the fair value of plan assets, if any, is deducted from such determined present value.

The present value of the obligation under such benefit plan is determined based on actuarial valuation using the Projected Unit Credit Method, which recognizes each period of service that give rise to additional unit of employee benefit entitlement and measures each unit separately to build up the final obligation.

The obligation is measured at present values of estimated future cash flows. The discount rate used for determining the present value is based on the prevailing market yields on Indian Government Securities as at the balance sheet date for the estimated term of the obligation.

Actuarial gains and losses are recognised immediately in the statement of profit and loss.

Benefits in respect of gratuity, a defined benefit scheme as applicable to employees of the Company is annually funded with the Life Insurance Corporation of India.

Superannuation

The Company contributes a sum upto 15% of basic salary for employees who have opted to contribute to a Superannuation Fund, administered by trustees and managed by Life Insurance Corporation of India. The Company recognises such contributions as an expense in the year they are incurred. Benefits in respect of superannuation, a defined contribution scheme, as applicable to employees is annually funded with the Life Insurance Corporation of India.

Provident fund

The Company contributes to a recognised provident fund which is a defined contribution scheme. The contributions are accounted for on an accrual basis and recognised in the statement of profit and loss.

Short-term employee benefits

All employee benefits payable wholly within twelve months of rendering the service are classified as short-term employee benefits. These benefits include compensated absences such as paid earned leave. The undiscounted amount of short-term employee benefits expected to be paid in exchange for the services rendered by employees is recognised during the year.

Compensated absences

Compensated absence which is a defined benefit, is accrued based on an actuarial valuation at the balance sheet date carried out by an independent actuary.

Long term incentive plan (LTIP)

The company has launched LTIP series I and LTIP series II for the year end 31 March 2016 and 31 March 2017 respectively, the grant value of which will vest on the completion of their respective three years. The provision is assessed on a yearly basis based on straight lining method, in accordance with LTIP policy.

2.10 New fund offer expenses ('NFO')

Expenses relating to NFO are charged to the statement of profit and loss in the year in which these expenses are incurred which is in compliance with SEBI (Mutual Fund) Regulations, 1996, as amended from time to time.

Tata Asset Management Limited

2 Significant accounting policies (Continued)

2.11 Scheme expenses

In pursuance to SEBI PR No. 77 / 2012, the Company has incurred expenses related to advertisement, brokerage, custodian etc. for and on behalf of the schemes of the Fund and the same has been charged to the statement of profit and loss.

2.12 Brokerage and incentives

All brokerage and incentive payments are charged to the statement of profit and loss as and when incurred.

2.13 Taxation

Current tax

Income tax expense comprises current and prior years tax (i.e. amount of tax for the period determined in accordance with the Income-tax Act, 1961) and deferred tax charge or credit (reflecting the tax effects of timing differences between accounting income and taxable income for the period).

Current income tax is recognised on an annual basis under the taxes payable method, based on the estimated tax liability computed after taking credit for allowances and exemption in accordance with Income-tax Act, 1961. In case of matters under appeal due to disallowance or otherwise, full provision is made when the said liabilities are accepted by the Company.

Deferred tax

The deferred tax charge or credit and the corresponding deferred tax liabilities or assets are recognised using the tax rates that have been enacted or substantively enacted by the balance sheet date. Deferred tax assets are recognised only when there is reasonable certainty that the assets can be realised in future, however, where there is unabsorbed depreciation or carried forward loss under taxation laws, deferred tax assets are recognised to the extent there is a virtual certainty of realisation of such assets. Deferred tax assets are reviewed as at each balance sheet date and written down or written up to reflect the amount that is reasonable / virtually certain (as the case may be) to be realised.

2.14 Operating leases

Licenses where the lessor effectively retains substantially all the risks and benefits of ownership over the lease term are classified as operating lease. Operating lease charges are recognised as an expense in the statement of profit and loss on a straight line basis over the lease term.

2.15 Earnings per share

The basic earnings per share is computed by dividing the net profit attributable to the equity shareholders by weighted average number of equity shares outstanding during the reporting year.

Number of equity shares used in computing diluted earnings per share comprises the weighted average number of shares considered for deriving basic earnings per share and also weighted average number of equity shares which would have been issued on the conversion of all dilutive potential shares. In computing diluted earnings per share, only potential equity shares that are dilutive are included.

2.16 Provisions, contingent liabilities and contingent assets

The Company creates a provision when there is a present obligation as a result of a past event that probably requires an outflow of resources and a reliable estimate can be made of the amount of the obligation. A disclosure for a contingent liability is made when there is a possible obligation or a present obligation that may, but probably will not, require an outflow of resources. When there is a possible obligation or a present obligation in respect of which the likelihood of outflow of resources is remote, no provision or disclosure is made.

2.16 Provisions, contingent liabilities and contingent assets (Continued)

Provisions are reviewed at each balance sheet date and adjusted to reflect the current best estimate. If it is no longer probable that the outflow of resources would be required to settle the obligation, the provision is reversed.

Contingent assets are not recognised in the financial statements. However, contingent assets are assessed continually and if it is virtually certain that an economic benefit will arise, the asset and related income are recognised in the period in which the change occurs.

2.17 Segment reporting

The Company is in the business of providing asset management services to the Fund and portfolio management service to clients. The primary segment is identified as asset management services. As such the Company's financial statements are largely reflective of the asset management business and there is no separate reportable segment.

Pursuant to Accounting Standard (AS) 17 Segment Reporting, no segment disclosure has been made in these financial statements, as the Company has only one geographical segment and no other separate reportable business segment.

Rights, preferences and restrictions attached to equity shares

The Company has a single class of equity shares. Accordingly, all equity shares rank equally with regard to dividends and share in the Company's residual assets. The equity shares are entitled to receive dividend as declared from time to time. The voting rights of an equity shareholder on a poll are in proportion to its share of the paid-up equity capital of the Company. Voting rights cannot be exercised in respect of shares on which any call or other sums presently payable have not been paid.

Failure to pay any amount called up on shares may lead to forfeiture of the shares.

On winding up of the Company, the holders of equity shares will be entitled to receive the residual assets of the Company, remaining after distribution of all preferential amounts in proportion to the number of equity shares held.

26 Provisions for loyalty incentives (Continued)

Nature of obligation

Loyalty incentives to unit holders for long term investment under Tata Gilt Securities Fund – Retirement Plan Series maturing on 28 February 2025 will be paid by the Company at the rate specified by it from time to time in the form of allotment of units equivalent to the amount of loyalty incentive. Units will be allotted at net asset value ('NAV') based price prevailing on first business day after the end of the minimum investment period specified by the Company from time to time. The maximum amount of loyalty under this option will not exceed 2% of the amount which remains invested for minimum holding period (i.e. atleast 5 years).

Expected time

At present, the Company proposes to pay loyalty incentives at the end of 5 years, 10 years, 15 years and 20 years from the date of allotment.

Assumptions

It is assumed that all the unit holders currently under Tata Gilt Securities Fund – Retirement Plan Series will remain invested till the maturity period i.e. 28 February 2025.

27 Employee retirement benefits

The Company makes contributions, determined as a specified percentage of employee salaries, in respect of qualifying employees towards Provident Fund, Super annuation which is a defined contribution plan. The Company has no obligations other than to make the specified contributions. The contributions are charged to the statement of profit and loss as they accrue. The amount recognized as an expense towards contribution to Provident Fund and Super annuation for the year aggregated to Rs. 24,606,406 (Previous year Rs. 23,697,393).

The following tables summarises the components of the expenses recognized in the statement of profit and loss, and the funded status and amount recognized in the balance sheet for the gratuity benefit plan.
