Mumbai | June 10, 2025: Tata Asset Management Private Limited (IFSC Branch) has received necessary regulatory approval from the International Financial Services Centres Authority (IFSCA) to commence operations at the International Financial Services Centre (IFSC) in GIFT City, Gujarat as a Registered Fund Management Entity (Retail).

This marks a significant milestone in Tata Asset Management Company's journey toward becoming a global asset management brand. The presence in GIFT City will play a pivotal role in strengthening the company's offshore product portfolio and enhancing its investment offerings for international clients — including foreign nationals, family offices, government and institutional investors, and non-resident Indians (NRIs). It will also provide an avenue for Indian investors to pursue outbound investments under the Liberalised Remittance Scheme (LRS).

The foray also aligns with the company's vision to contribute to India's positioning as a key player in the global financial ecosystem, under the enabling framework of the IFSCA.
