Tata Asset Management launches inbound Retail

GURUGRAM : Tata Asset Management has received approval from IFSCA to launch Tata India Dynamic Equity Fund – GIFT IFSC, with a minimum investment of USD 500. The fund offers global investors an easy way to access India's growing equity market and take part in the growth of the world's fourth-largest economy. It is a retail-focused product, designed as an inbound feeder fund that invests in Mutual Fund equity schemes and Exchange-Traded Funds (ETFs). The fund follows an active allocation strategy that adjusts to market trends, combining large, mid, and small-cap exposures to deliver balanced returns. Tactical exposure in emerging themes—such as technology, energy, and healthcare—enhances the opportunity.

Abhinav Sharma, Head – International Business, Tata Asset Management, said, "The Tata India Dynamic Equity Fund from GIFT IFSC has accessibility to all with a minimum ticket size of USD 500 and significant tax advantages for non-residents."
