New long-short fund under SIF from Tata AMF

TATA ASSET MANAGEMENT has launched Titanium Active Asset Allocator Long-Short Fund, an actively managed multi-asset strategy under its Titanium Specialised Investment Fund (SIF) theme. The fund will dynamically invest across equity, debt, commodity derivatives and equity derivatives, and in InvITs and IPOs, with the flexibility to alter allocations as market conditions and opportunities evolve. The minimum investment is ₹10 lakh and subscription to the new fund offer will close on October 7, 2026.
